D'Amato fights to regain licence

New York revokes right to manage

NEW YORK (AP)—A shocked and dismayed Cus D'Amato expects to get back through legal action his licence to manage and second fighter in New York State.

If that isn't successful, the National Boxing Association offers a glimmer of hope he may be able to manager within its jurisdiction. That would give him most of the United States in which to operate as manager of former heavyweight champion Floyd Patterson, if champion Ingemar Johansson of Sweden consents to meet Patterson in a title fight outside New York.

FULL CONTRACT

"I have a legal contract for the return bout and I intend to fulfill this obligation," D'Amato said Monday hight.

His licence was revoked Monday by the New York State Athletic Commission. He indicated, in a statement, that his first move may be court action to upset the commission's ruling.

The revocation of D'Amato's licence further clouded the already befogged heavyweight title picture as it pertains to a rematch between Patterson and Johansson.

Anthony Maceroni, NBA president, said his organization temporarily will uphold the ban, but that the NBA is leaving the door open for D'Amato to be heard by the association's grievance committee.

He said the charge that D'Amato failed to appear at a September 14 commission hearing wasn't justified since D'Amato was out of the country. Also the commission had ample time before the June 26 fight to take action on D'Amato's alleged participation as an undercover manager and his attempt to maintain control of the title, by hand-picking managers of challengers.

SPORTS BRIEFS

Bruins' Horvath stays on top of point race

MONTREAL (CP)—Bronco Horvath, of Boston Bruins, is still setting a lively pace in the National Hockey League scoring race.

Horvath has 17 goals and 13 assists for 30 points, six more than Detroit's Gordie Howe. Andy Bathgate of New York Rangers is third with 22 points.

There were no games in the NHL last night.

Wants scouting file

TORONTO (CP)—With the Grey Cup only four days away, a certain coolness between East and West is understandable.

This year there's a new element. The Easterners are playing it a bit cool among themselves and a regional playoff loser suddenly is assuming major proportions in the national football extravaganza.

Crux of the matter is that Hamilton Tiger Cats, who meet Winnipeg Blue Bombers here Saturday for the trophy, know little—or pretend to—about the western representatives.

Ottawa Rough Riders may know plenty. The Riders are said to have a fat scouting file on Bombers prepared by George Terlap and Hamilton coach Jim Trimble says he'd dearly love to get his hands on it.

However, Trimble said Monday night "I don't want to ask them for it. We'd like them to offer it to us first."

Ottawa coach Frank Clair said he had received no request from Hamilton and "if they want it they should ask for it."

Hydroplane crashes

RENO, Nevada (AP)—Bandleader Guy Lambardo and the designer and driver of his jet-propelled hydro-plane Tempo Alcoa, still aim to shoot for a world record despite a near disastrous accident Monday.

The aluminum craft with Les Staudacher at the controls, skimmed into the beach at Pyramid Lake near here, struck a rock and soared 200 feet before crashing on the sand.

Staudacher, 47, emerged badly bruised, but claiming he had topped the world record of 260.35 miles an hour on three runs before the crash.

Except for its right sponson, a pontoon-like float, the hydroplane appeared undamaged.

Staudacher said it will be returned to its base in Michigan for repairs before another record try at Pyramid Lake next year.

West favored to win 32nd Grey cup classic

By JACK SULLIVAN
Canadian Press Staff Writer

This year marks the 32nd East-West Grey Cup final clash and, for the first time in history, the West is favored to win. The line may change before Saturday's kickoff but the chaps who should know—the bettors—say don't bet on it.

WON EIGHT TIMES

Western teams have won the cup only eight times since the final became national in 1921 when Edmonton Eskimos traveled East and were whomped 22-0 by Toronto Argonauts.

But western clubs have been flexing their muscles in recent years and at last people in the East are conceding that the western champions are no longer pushovers.

In 1954 Eskimos beat Montreal Alouettes 26-25 in what was considered the biggest upset since 1935 when Winnipegs knocked over Hamilton Tigers 18-12 to give the West its first victory.

In 1955, when the final was moved to the West for the first time, the gamblers rode with the Alouettes and again the Eskimos won—this time 34-10. The bettors still weren't convinced and in 1956 Eskimos clobbered the Als again, 50-27.

In 1957, Tiger-Cats beat Bombers 32-7 and again were underdogs when they met Tiger-Cats in 1958. Doubting easterners took a financial skinning as the Bombers won 35-28.

At the end of last week bookmakers made Bombers favorites at three points, 6-to-5 take your pick.

This meant that if you wanted to bet the West you would have to give 6-to-5 odds and three points. If you wanted to put your money on the East you would still have to give 6-to-5 odds but you would get three points.

Win grid title

MONTREAL (CP)—A touchdown with 10 seconds to play gave Lakeshore Alouette Flyers the Canadian intermediate football crown providing a thrill-packed finish to an 8-1 triumph over Manitoba's St. Vital Bulldogs on a snow-covered field at Verdun Stadium.

Timan, King capture bird tourney

Dirk Timan and Rita King emerged winners of a Civic Centre Badminton club round-robin tournament completed Sunday.

The tournament, with 74 members taking part was won by the president's team which amassed a total of 1,057 points. Each couple played seven games with each game being played to 11 points.

However, Timan and King of the vice-president's team, won finalist honors trouncing Alf Bell and Freddy Bennett of the president's team 11-2.

In the semi-finals Bell and Bennett trimmed Evelyn Basso and L. Denny 11-8.

A women's round-robin tourney is planned for next month.
