Bombers going all-out tonight as Lions trying for third-place

WINNIPEG (CP)—British Columbia Lions, one point behind Calgary Stampeders in the race for the final Western Interprovincial Football Union playoff spot could use Winnipeg Blue Bombers as a stepping stone tonight, but they may find it hard.

The Bombers will be going all-out for the victory, even though they have all but wrapped up their third straight conference title.

The Winnipeg players and fans will be celebrating "Buddy Tinsley Night," in honor of the 11-year veteran at tackle. Coach Bud Grant says the club wants to win for Buddy. The team has requested a special players' meeting, without the balding Buddy, in preparation for the game.

Coach Wayne Robinson of B.C. will be using Jim Walden at quarterback, hoping Walden can duplicate his performance of last Thursday when he directed the Lions to a 21-13 win over the second place Edmonton Eskimos.

Robinson says his club is healthier than they have been all season and they're in "jolly good spirits."

Grant, meanwhile, is having problems—he has too many good imports. He said, however, that Ray Jauch will play at halfback in place of Carver Shannon, and Mike Wright will be back at tackle, relieving Burr Davis. Kenny Ploen will be the starting quarterback.

Grant, after seeing films of the last B.C.-Edmonton game, said Lions are looking like a new and more dangerous team since that victory.

Mild weather, with temperatures in the high 40s, is expected.

Lions have nine points in 12 games, while Stampeders have 10 points in 14 games.

Canucks get Popien

VANCOUVER (CP) — Vancouver Canucks of the Western Hockey League landed a prize catch Tuesday night in the person of centre Larry Popien from New York Rangers of the National League.

Popein, 30, had played with the parent New York club for six seasons. He was expected to arrive here Wednesday to rejoin the team he broke into professional hockey with in 1952.

Vancouver coach Art Chapman said Popien will be in the lineup Friday when Canucks open the 1960-61 WHL season at home against Spokane Comets.

Hawks take first with 3-0 win over Maple Leafs

CHICAGO (CP)—Chicago Black Hawks moved back into first place in the National Hockey League Wednesday night with their third straight victory, a 3-0 beating of the winless Toronto Maple Leafs at Chicago Stadium.

Glenn Hall's shutout goaltending and the scoring power of Bobby Hull, defending scoring champion, paced the fast-starting Chicagoans to their fourth game without defeat in the young season. They moved into first by a point over idle Montreal.

Hall kicked aside 25 Toronto shots, while Hull chipped in with a goal—his fifth in four games—and two assists.

Chicago's other scorers were defenceman Dollard St. Laurent and Hull's linemate, Murray Balfour. Hull was credited with an assist on St. Laurent's tally.

Probe urged into bribes

LONDON (AP)—Officials of the English League demanded today a top-level investigation into reports that soccer stars had been bribed to throw games.

Nine league officials met for three hours, then urged a conference with the National Association, the ruling body of the sport.

The story broke last Sunday when Roy Paul, all-time Welsh great and former captain of the Manchester City team, confessed in print that he twice had thrown games. Next Bobby Evans, a member of the Chelsea team, admitted he had tried to bribe an opponent last season.

Today, however, he said he considered the $1,400 bribe offer he made as a joke.

But Johnny Hubbard, star of the Bury team, said today he had been offered $16,800 last February to make certain that Bury lost its game with Barnsley.

WORLD SERIES BRIEFS

Richardson sets mark after mediocre season

PITTSBURGH (AP)—Figuring the series: The Yanks' Bobby Richardson, who hit two triples in Wednesday's game to tie a series record, had only three triples in 150 games during the regular season. He also raised his runs batted in output to 12, another series mark, as compared to just 26 RBI all year.

Roberto Clemente of the Pirates is the only player to take part in all six games who has not scored a run.

Whitey Ford's five strikeouts Wednesday gave him a total of 63, most in series competition. Allie Reynolds, a former Yankee, held the previous mark of 62.

The victory was Ford's seventh in the series and ties him for the most games won with Red Ruffing and Reynolds. The start was his 14th, extending his own record for most starting assignments.

Pittsburgh pitcher Bob Friend hit two batters—Elston Howard and Tony Kubek—to equal the record for most hit batsmen in a game. It has been done nine other times. It was a tough record for Howard to share in. The pitch from Friend broke the little finger on his right hand.

The Yankees accounted for 19 assists Wednesday, two short of the record by a club in a game. The Red Sox made 21 against Cubs September 9, 1918.

The series has gone to seven games in five of the last six years with the Yankees involved all five times.

The Yanks' Yogi Berra is the only player among those to see action in all six games who has not struck out.

Bill Mazeroski of the Bucs had seven assists Wednesday, one short of the record for a second baseman.

Clete Boyer of the Yankees started two double plays to tie the mark for most double plays started by a third baseman in a nine-inning game. Fred McMullin of the 1917 White Sox, Ossie Bluege of the 1924 Senators and Whitey Kurowski of the 1946 Cards previously turned the trick.

Frazier waived

OTTAWA (CP)—Halfback Adolphus Frazier, who played one game this season with Ottawa Rough Riders, has been put on waivers, the Big Four club announced today.

The 25-year-old player, formerly with Florida A and M College, came to Ottawa September 10 after being cut by Chicago Bears of the National Football League.

Taylor leads in NFL rushing

NEW YORK (AP)—For one week, anyway, Jimmy Brown of Cleveland Browns won't be the National Football League's rushing leader. That honor belongs temporarily, to Jim Taylor of Green Bay Packers.

With Brown and the Browns idle last week, Taylor moved into first place in the ball-carrying department with 281 yards on 63 carries in three games. Brown is second with 240 yards on 43 carries in two games.

Taylor also leads in scoring with 30 points followed by teammate Paul Hornung, 29, and Bob Walston of Philadelphia, 28.

Baltimore's Johnny Unitas has moved past Pittsburgh's Bobby Layne into first place in passing.

Unitas has completed 47 of 93 for 755 yards, tossed six TD passes, has a 50.5 completion percentage, a 5.4 interception percentage, and an average gain of 8.12.

Layne, in second place, has completed 37 of 67 for a 55.2 percentage and 730 yards, thrown for seven touchdowns, an average gain of 10.00 yards, and has a 9.0 per cent of interceptions. Eddie Lebaron of Dallas is third.

Veteran Kyle Rote of New York leads the pass receivers with 10 for 267 yards and four touchdowns.

Norm Van Brocklin of Philadelphia tops the punters with a 46.8-yard average. Abe Woodson of San Francisco is first in punt returns with an 18.5-yard aorage.
