BOWLING ALLEY OPERATORS WANT BOWLING IN SCHOOLS

VANCOUVER (CP)—A recommendation that bowling be included in the athletic programs of B.C. schools has been made to the Chant Royal commission on education.

Saul Lechtzier, president of the B.C. Bowling Alley Operators' Association, says in a brief the association is prepared to set up free clinics under supervision of expert instructors throughout the province.

It would also provide facilities to students at greatly reduced rates and award annual scholarships for scholastic ability, the brief says.
