No damage caused

An electrical fire at the Prince Rupert Fishermen's Co-operative Association's Fairview plant caused no damage yesterday morning. Firemen were called but it proved minor.

TERRACE (CP)— Alphonso Thomas, 33, managed to swing open a door of his car and swim to shore after the vehicle went into a skid on the ice-covered highway 16, 44 miles west of here, and plunged into the Skeena River.

ADDICTS WALK CITY STREETS

VANCOUVER (CP)—The mumbled question "who's got?" finds no response on Vancouver's skid road.

The traditional question of the narcotic addict as he wanders through the haunts of drug pushers on downtown East Hastings Street falls on deaf ears because the heat's on.

As a result police expect two things from the mass arrests of suspected drug traffickers Tuesday—an increase in petty crime and some "pretty sick" addicts.

They said Wednesday the price of narcotics has gone to $10 from $5 a capsule and added that such crimes as shop lifting will increase as addicts seek to raise money to pay inflated prices.

Opening lead: Deuce of ♥

Had East followed the line of least resistance and woodenly returned his partner's lead today, South would have romped off with three no trump.

West chose to make the noncommital lead of the deuce of hearts. Dummy played low and the jack forced the ace. A low diamond play brought forth the ten, the king and the ace. Had East thoughtlessly returned the king and another heart, declarer would have won with the ten and cleared the diamond suit in time to make nine tricks. But East had put on his thinking cap at the opening lead. When declarer played low from dummy and then won with the ace, he marked himself with the ten of hearts, because if he had not held that card it would have been obligatory for him to play the queen from dummy in the hope that the lead had been from the king.

On this line of reasoning, East could count six tricks for declarer in the red suits and almost certainly three more in the black suits, since South was marked with, at most, only four of his points in hearts and diamonds. In order to defeat the contract it appeared that a club trick would have to be cashed before his second diamond stopper was dislodged. He, therefore, shifted to the eight of clubs.

Declarer took the single finesse and, when it lost to West's king, a heart was continued. East won with the king and drove out the ten of hearts so that the setting trick was cashed in hearts when his diamond trick was yielded to him.
