Three teams tied in AL while Giants drop back

By ED WILKS
Associated Press Staff Writer

Nine years ago Jim Coates signed with New York Yankees because his mother didn't like the looks of another club's scout.

Now, after seven minor-league seasons, he's the hottest pitcher in baseball's big time and has put the Yanks within three percentage points of the American League lead.

The lean righthander shoved his season record to 7-0 Tuesday night as the third-place Yankees won their seventh straight, 6-2 at Kansas City. New York is closing in rapidly on the front — stumbling Cleveland Indians and Baltimore Orioles.

The Orioles edged within one percentage point of the top by handing the first-place Indians a third straight defeat, 7-4, in the opener of a four-game series at Cleveland. It was only the third success in eight games for Baltimore.

Detroit defeated Boston 2-1 and wet grounds at Chicago caused postponement of the White Sox' game with Washington.

NATIONAL LEAGUE

Pittsburgh Pirates have a two-game lead after getting past San Francisco Giants in the opener of a three-game series but righthander Larry Jackson and the surging St. Louis Cardinals are stealing the spotlight in the National League pennant race.

Four unearned runs gave the Pirates a 6-3 decision over the second-place Giants Tuesday night while the Cardinals backed Jackson with home runs for his eighth straight victory in a 6-3 decision over Cincinnati Redlegs.

It gave Jackson 9-5 a tie with Pittsburgh's Vern Law as the majors' top winner and moved the Cards past the Reds into fourth place.

Chicago Cubs defeated third-place Milwaukee Braves 3-2 behind a two-hit pitching job by Glen Hobbie. Last-place Philadelphia Phillies defeated Los Angeles Dodgers 6-5 in 10 innings.

Padres trim Mounties 4-3

By The Canadian Press

A batch of potential pitchers got a lesson in perfection at the Sacramento - Seattle Pacific Coast League baseball game Tuesday night.

The little leaguers saw Claude Raymond hold the Rainiers to two hits as he posted his fourth victory of the season—a 1-0 win. The 23-year-old righthander struck out four and walked none.

Elsewhere in the league, Spokane stretched its lead to three games by edging Tacoma 5-4, Portland downed Salt Lake 3-1 and San Diego beat Vancouver 4-3 despite the Mounties' ninth inning rally.

The inspired Kinsmen crew scored three runs in the fourth, three in the fifth and two runs in the final inning to gain the victory.

For Electricians, chucker Gordon Strand gave up seven hits, walked two and fanned four.

International series slated for revival

Traditional rivalry will be revived when the Prince Rupert All-Stars meet Ketchikan All-Stars, in a three-game international tournament series at Roosevelt park over the weekend.

Miss Prince Rupert of 1959, Barry-Anne Crummy will throw the first ball, Saturday night to officially launch the series. A nine-inning game is slated for Saturday while a double-header of nine and seven innings will be featured Sunday.

Ketchikan was here last year to play in Prince Rupert's tournament, but have not been down to play the yearly series since 1957. Last year the Rupert All-Stars edged Ketchikan 1-0 in the ninth inning, in a game that was one of the best of the tournament, and fans will be in for some more sharp baseball this weekend.

To round out the series and revive the interest which was once shown in the annual Canadian-Alaska tourney, the Prince Rupert All Stars plan to play in Ketchikan during that city's Independence Day celebrations on the July 4 weekend.

For the Saturday evening game which gets underway at 7 o'clock, the Prince Rupert Civic Band, under the direction of conductor Joseph G. Arduini, has been asked to play but no final decision has been made.

The band will play the national anthems of both countries while players stand at attention on the base lines.

Prince Rupert District Baseball league commissioner Floyd Jessop will escort Miss Crummy to the mound and local baseball league president Sparky Smith will catch. Umpire-in-chief Andy Letourneau will be behind the plate.

Ketchikan will be bringing 12 players with them, including ace chucker, Gordy Robertson, who is slated to start the first game, and veteran ball player Harry Ludwigson, who is still managing the squad, and may start Sunday's contest.

Rest of the lineup: Catcher Gale Jones; first base, Bob Vincent; second base, Al White; third base, Hansen; short stop, Duane Vincent; left field, Stewart; centre field, McMann; right field, Burrows. There is a possibility that Thillery will play second base and White will go to the outfield.

Rusty Ford, Prince Rupert All-Star coach announced the following starting lineup for Saturday's game.

John Lambie, pitcher; Joe Giordano, catcher; Don Scherk, first base; Bill Smith, second base; Bill Sunberg, short stop; Charlie Burtch, third base; Al Campbell, left field; Neil McDonald, centre field; Darrel Young, right field.

The rest of the roster includes: pitchers, Gordy Cameron, Len Shankel, Smith, Scherk, and Al Adams; infield, Butch Currie, John Olsen, Danny Bill, Dick Dury and Dick Specht in the outfield.

A league spokesman said the baseball league "has a lot of money tied up in this tournament," and if attendance is good there is a possibility of more tournaments being held.

He said tickets for the game can be bought at the gate.

"For a negligible fee, ball fans can not only see a good series but they will be supporting their league.

"If the league loses money on this affair, you can be sure there will not be any more tournaments, but if it proves successful it will probably turn into an annual affair again."

BARRY-ANNE CRUMMY ... to throw first ball.

CNRA wins

Canadian National Recreation Association downed Savoy Hotel 12-7 in a regularly scheduled Men's Softball League game at Algoma Park last night.

Savoy pulled into a 3-1 lead after the first inning but CNRA piled on four runs in the second to gain the edge and never looked back.

Winning pitcher Al Cairns allowed eight hits, nine walks and struck out none while loser Bill Hardy gave up 17 hits, walked four and fanned three.
