CELEBRATION PREPARATIONS

Terrace is Going to Give Rupert Visitors a Big Welcome on May 24

TERRACE, May 15.—The citizens here all deeply engrossed with plans for the successful entertainment of the visitors from Prince Rupert on May 24. The Board of Trade, under the presidency of E. E. Chandler and C. R. Gilbert, have made great efforts in the matter of complete preparation. A sport's committee under D. F. Robinson has been placed in charge of the field events, with C. A. Waite looking after the grounds.

Many races will be held for all comers and an excellent prize list has been collected from local enthusiasts. Specially attractive will be the prizes for the children and keen competition is expected between the Terrace champions and the Rupertites. Keen enthusiasm also prevails inregard to the entries in the jumping contests and also in some of the special stunts to be arranged that day.

Besides the two boys' teams from Rupert which will play on Victoria Day, a match will be arranged between a local nine and the Rupert aggregation. The youths here have been training faithfully on their first-class diamond and promise to make a good showing. The team to represent the Terrace Baseball Club will be selected from the following:—Gilroy, Ross, Campbell, Moore (captain), Wilde, Lindbloom, Wiley, Robinson (manager), Vanderlip and Henwood. Freddy Scott is the team's mascot for this season. The boys from the seaside will have to play a steady game to make a favorable showing against such a squad.

PLANNING FINE INDIAN SCHOOL

Department of Indian Affairs to Erect Modern Four-Room Structure Near Stuart Lake.

Costing approximately $100,000 a four-story boys and girls' industrial school at Stuart Lake on the Se-As-Bunkut Indian Reserve, is to be built by the Department of Indian Affairs. It will be on the south side of Stuart Lake, on the main line of the G. T. P.

The structure is to be of either wood or brick veneer construction. The basement will accommodate the boys' manual training room, recreation rooms, and the dining room. There will also be a laundry and adequate heating, lighting and plumbing facilities. The ground floor will be devoted principally to the class-rooms, of which there will be four, and will include staff rooms and a reception room. Off the main part of the building will be a very fine chapel for devotional services. The remaining floors will be subdivided into dormitories.

Work on the new school will start this summer and it is expected that the building will be finished by the end of the year. Then the Fort Fraser Indian school, which cares for the Indian children in that district, will be done away with, and the pupils and teachers transferred to Stuart Lake.

PRESIDENT CARRANZA WILL STAND TRIAL

AGUA PRIETA, Sonora, Mexico, May 15.—President Carranza, deposed head of the Mexican government, has been assured trial under the laws of Mexico for any of his offences is the statement issued by General P. Elias Calles, war minister of the revolutionary government. Calles declared Carranza would not be executed.

"It is my belief that a man who violates the law, should be tried under the law," he said. 'Villa must not become a political or military factor in the revolution, or in Mexico," Calles declared.

If Carranza succeeds in getting out of Mexico, the revolutionists will be pleased, however, General Calles said.

SMITHERS

The mill of the Interior Lumber Co. started operations last week and is now turning out 25,000 feet daily. There is enough timber in the immediate vicinity of the plant to keep it running for three years. The lumber being cut now is for the Edmonton and Montreal market.

The fifty mile trail along the Tahatsa River on the Ootsa Lake country is to be completed this year, work having already commenced on it.

• • •

Thirty-one cattle died in the North Bulkley section from a disease that affected their lungs and strongly resembled influenza.

• • •

Repairs to the Bulkley River bridge at Houston which was washed out by high water last week are to be made at once.

• • •

A compressor plant and two drills have reached Burns Lake for the Talpatlin mine. It is expected that the mine will be shipping by July 1.

• • •

J. S. Brayfield has arrived from North Dakota to take charge of the first Anglican church at Telkwa.

• • •

The board of management of the Methodist Church at Telkwa and Smithers this year comprise James Stockman, secretary-treasurer; A. Kilpatrick, C. L. Dimock, George Oulton, William Mitchell, and W. J. Foster. The financial statement for last year shows that $1,745 had been raised, practically balancing the outlay for the period.

• • •

Miss Gertrude Owen of Telkwa has left for Burns Lake where she will take a position in the Royal Bank.

WATER NOTICE.
DIVERSION AND USE.

TAKE NOTICE that Premier Gold Mining Co., Ltd., whose address is Premier, B. C., via Stewart, B. C., will apply for a licence to take and use three cubic feet of water out of Fletcher Creek, which flows westerly and drains into Cascade Creek, about one quarter mile north of the International Boundary in Salmon River Valley.

The water will be diverted from the stream at a point about near the northeast corner of Lot 3507, Rupert Mineral Claim, and will be used for power purposes upon the Premier Mine; power house to be located on Lot 3697—Cascade Forks No. 4. This water is to be used to generate power for use on the property of the Premier Gold Mining Co., Ltd., in connection with its mining and milling operations.

This notice was posted on the ground on the 29th day of April, 1920.

A copy of this notice and an application pursuant thereto and to the "Water Act, 1914," will be filed in the office of the Water Recorder at Prince Rupert, B. C.

Objections to the application may be filed with the said Water Recorder or with the Comptroller of Water Rights, Parliament Buildings, Victoria, B. C., within fifty days after the first appearance of this notice in a local newspaper.

A Terrible Penalty

frequently follows the neglect of an injury. Germs and dust get into the wound, it begins to fester, blood-poisoning sets in, and sometimes the loss of a limb is the result.

Safeguard yourself against such a possibility by applying Zam-Buk at once. This antiseptic balm destroys all germs and prevents festering and blood-poisoning. Then the healing essences promote the growth of new tissue and it is not long before the wound is completely healed.

Zam-Buk should be kept handy in every home, office, store and factory for cuts, scratches, burns, scalds and bruises. It is equally good for eczema, rashes, boils and ulcers. All dealers, 50c. box.

• • •

THAT we do not hear much these days about the man who is able to take a drink or leave it alone.

• • •

THAT whenever he gets a chance now he takes it.

• • •

THAT the leaving alone is largely a matter of theory.

• • •

THAT taking it is practice.

• • •

THAT there is usually a difference between theory and practice.

• • •

THAT Premier Oliver is on the rampage again. He is ready to face anybody, soldier or civilian.

• • •

THAT the curious thing about Honest John is that he is generally right.
