GRAND TRUNK NOW AT HEAD

Won From Trail Last Night and Divide First Position Honors With the Scots.

Last night's football game between the Grand Trunk Pacific and the Trail was won by the former by a score of 2-0. A good crowd watched the contest, which was well played and very interesting. The G.T.P. aggregation threaten to prove a serious contender for the football league honors this year and their advance so far this season is being watched with a certain amount of alarm by their opponents. The result is that last night the Trail got a good deal of side line support because a win for them wouldn't be so serious as a win for the G.T.P.

The two tallies last night were registered by Jackson and Fisher. O'Connell and Lawson, on the forward line, and the Fanthorpe brothers starred for the railroaders, while Waldorf, their goal tender, made a good many pretty saves. Cummins, forward, Vic Menzies, back, and Jack Judge, goal, on the Trail team are worthy of special mention. The game was refereed by W. E. Williscroft, while Doc Clapperton and E. R. Tabrum were on the tapes.

The league standing to date is:

	P	W	D	L	Pts.
Callies	2	1	1	0	3
G. T. P.	2	1	1	0	3
Sons of Eng.	2	1	0	1	2
Trail	2	0	0	2	0

The printing of the city's annual report was tendered for at last night's council meeting by A. O. Franks who asked $8.75 per page. The aldermen thought the price was excessive and decided to leave it over.

"I HAVE PROVED"

Zam-Buk invaluable for eczema, both in the case of my baby and myself," says Mrs. L. Bonin of West Arichat, N.S. She adds: "Baby's skin was badly broken out, but repeated applications of Zam-Buk entirely cured it.

"In my own case, I had eczema on my hands, which made it very inconvenient for me to do my housework. Particularly was this so, as it aggravated the trouble so to put my hands in water. By using Zam-Buk, however, I soon got relief, and it was not very long before every trace of the trouble had disappeared. I really think no home should be without Zam-Buk."

Zam-Buk is equally good for all skin injuries. All dealers 50c. box.

ALL KINDS ESTIMATES

Council Thought $75—City Engineer Now Says $690, and W. E. Thompson $200 at Outside.

MARINE WAYS TRAIL IS IMMENSE PROBLEM

A report was received at last night's council meeting from the city engineer dealing with the state of matters in regard to the trail to the Seal Cove Marine Ways and it has now been decided to leave further action in the matter over until Alderman Perry has inspected the site. In the engineer's letter it is stated that it would cost $690 to build the trail as now planned and that it would be money misspent if carried out as at present. The engineer stated that old planks would make the trail passable in the meantime.

W. E. Thompson was present and spoke to the council. He stated that in his original estimate of $75 he had referred only to that part of the trail on the railway grade and had made no estimate as to the cost to the street. He said that the whole trail would cost no $690 to build, but at the very outside would cost $200. The city engineer should have figured out the cost before he allowed the work to be started. Planks would be no use and it would be better to leave it alone. If $690 were to be spent it would be better to build a wagon road connecting with Eleventh Avenue.

MAY EXTEND TIME LIMIT

Ald. McLennan Says that Payment of Taxes by July will be Hard on Ratepayers.

As a result of Alderman McLennan's representations at last night's council meeting, the sending out of tax notices will be delayed a short time to consider the advisability of altering the dates when payment is imperative, the matter being in the hands of the finance committee with power to act.

Ald. McLennan drew attention to the fact that by the present ruling taxes must be paid by July 1 or else there would be a 10 per cent penalty. Failing payment by October 1 there would be a further penalty of 5 per cent. Probably 95 per cent of the ratepayers did not know this. On account of the financial conditions this year there would be many who would be unable to pay and he would like to see the council take steps towards modifying them.

The mayor stated that the penalties could not be changed but the dates of the penalties could be altered. This year both local improvement and general taxation would fall due the same time and the tax notices for both would be on the same sheet but on either sides of it.

INVALIDS ARE TURNED AWAY

Sad Conditions of Those Unable to Get Prescriptions Filled Before Eight-Ounce Law in Force.

VANCOUVER, June 1.—Throngs of "invalids" were turned away from the government liquor store yesterday. They were people who were anxious to take advantage of the last day for filling prescriptions before the eight-ounce limit came into effect. From this time on only eight ounces can be secured on each prescription.

WATER NOTICE
DIVERSION AND USE.

TAKE NOTICE that The Taylor Engineering Co., Ltd., whose address is Credit Foncier Building, Hastings Street, Vancouver, B.C., will apply for a licence to take and use ten second feet of water out of Wolf Creek, also known as Davidson Creek, which flows southwesterly and drains into the Kitsault River, about two and a half miles north of the Dolly Varden Mine.

The water will be diverted from the stream at a point about one mile from the Kitsault River and will be used for power purpose upon the mine described as the Wolf Mineral Claim, and lights to Alice Arm District.

This notice was posted on the ground on the Third day of May, 1920.

A copy of this notice and an application pursuant thereto and to the "Water Act, 1914" will be filed in the office of the Water Recorder at Prince Rupert, B. C.

Objection to the application may be filed with the said Water Recorder or with the Comptroller of Water Rights, Parliament Buildings, Victoria, B. C., within thirty days after the first appearance of this notice in a local newspaper.

The powers of this undertaking are to be exercised for power and lighting within the territory embracing all the Wolf mineral claims, the Dolly Varden mineral claims, and all of this Company's Railroad and properties and buildings, or any properties and buildings of others in and adjacent to the Alice Arm District.

THE TAYLOR ENGINEERING CO., LTD.,
Applicant.

Mrs. Furoth Has a Special Way

Perhaps other cooks have ... Pacific Milk in the same ... At any rate this is the ... method.

When Mrs. Furoth is mixing a cake, say it calls for 1 cup milk. She takes first ½-cup water and adds Pacific Milk to fill the cup.

It is much better to pour milk into water than to pour water into ½-cup of milk. Which way do you dilute Pacific Milk?
