PLANS SET FOR MAY 11 BIRTHDAY TEA

Hospital WA fetes four members at evening farewell coffee party

Four members of the Women's auxiliary to the Prince Rupert General hospital were feted last night when the auxiliary held a delightful farewell "Coffee Party" in La Gondola Cafe following its regular meeting in the Civic Centre.

Honored were Mrs. K. L. Robertson, who leaves with her husband the end of May to make their home in southern British Columbia; Mrs. T. P. Packford, who leaves in the near future to join her husband in Edmonton; Mrs. R. A. Orton, who leaves during the summer following her husband's two year naval appointment at HMCS Chatham and Mrs. L. C. Chambers who leaves with her husband to retire in Vancouver.

On behalf of the auxiliary President Mrs. Carl Strand presented the departing members with souvenir spoons and extended best wishes in their new homes.

During the monthly meeting, chaired by Mrs. Strand, plans were completed for the WA's "10th Birthday Tea," to be held in the Nurses' Residence May 11 from 2 to 5 p.m.

The annual social affair which commemorates the birthday of Florence Nightingale, will be convened by Mrs. T. C. Melville and Mrs. Alan A. W. Macdonell.

Special attractions to be featured will be a home baking table and a grocery hamper while focus will be on a huge birthday cake, now being designed.

Plans were also discussed for the $250 Bursary to be given a deserving student for any phase of hospital training. Named to head the committee were Mrs. Melville, Mrs. Stanley Wilson and Mrs. L. M. Greene.

Delegates appointed to attend the Northwest Regional Conference to be held in Kitimat, May 13 and 14 were Mrs. T. S. Haupt and Mrs. C. C. Mills with the president.

Mrs. Strand announced that the conference is open to all members and anyone wishing to attend should get in touch with her. She reported that Hospital auxiliary councillor for the Northwest Region, Mrs. R. B. Vannatter of Ocean Falls would also be in attendance.

CONFIDENTIALLY YOURS
—by Byrne Hope Sanders

MONTREAL, April 21st—Here's my word to the wise homemaker who would like to be a wonderful cook. Try the flavour magic of MAGGI CHICKEN BOUILLON CUBES and you'll agree, I'm sure, that here's a whole new way to make meals taste better. Yes, Maggi Cubes make a delicious hot drink or appetizer (only 4 calories a serving too!) . . . but there's so much more you can do with them! Add gourmet flavour to your stews, gravies and casserole dishes—simply by adding Maggi Cubes. Drop two or more Maggi Cubes in the boiling water before you add rice, peas or carrots. Delicious! Look for the yellow and red package of Maggi Chicken Bouillon Cubes next time you shop!

AVOID YOUR FAMILY'S WRATH . . . by double-checking your shopping list for SNACKERS. Yes, once you've given your family a taste of golden-crisp McCormick's Snackers, they'll insist that you keep a box or two always on hand for delicious snacks, anytime. You see, Snackers are the crackers made specially for snacks and parties, too. From one box of Snackers you get four favourite shapes . . . rounds, triangles, squares and fingers — always fresh and snappy! Ideal for entertaining and perfect with soups, cheese and peanut butter. Next time you shop, don't say crackers — say Snackers!

SPRINGTIME IS PLAYTIME . . . but still no time to neglect the danger of unsanitary, slow drains! How to take care of this problem with a minimum of time 'n' trouble? Just put quick-and-easy GILLETT'S DRAIN CLEANER to work. You'll find Gillett's Drain Cleaner has a special churning, boiling action . . . quickly and completely scours out every trace of the greasy mess that collects in clogged-up drains. All you do is put 2 tablespoons of Gillett's Drain Cleaner in every drain, every week . . . and you know that all your drains are fast-running, clean and sanitary.

HOW NICE TO MAKE THE 'APRIL CHANGE' from winter clothes to fresh spring dresses! The best way I know to keep your spring clothes fresh for many wearings is to trust to the complete protection of ETIQUET (Deodorant and Anti-Perspirant.) You can buy it in Cream, jar or tube; handy Stick—or in the new, unbreakable Etiquet Rolit bottle. The built-in Rolit marble simply rolls on exactly the right amount of lotion to keep you fresh and dainty all day long. Choose your own favourite method of applying this famous deodorant . . . Cream, Stick or Rolit . . . you can always count on Etiquet for complete, day-long daintiness.

DOES THE RECIPE CALL FOR CREAM? No need to make a trip to the store when you have NESTLE'S PURE THICK CREAM handy. Unopened, this fine country cream keeps its fresh quality indefinitely, right on your kitchen shelf. After the tin is opened, it stays fresh in the refrigerator as long as dairy cream. Use Nestlé's Cream in any recipe calling for the smooth richness of cream. And whenever you need sour cream to make delicious treats . . . simply mix 1 (6 oz.) tin of Nestlé's Cream with one tablespoon of lemon juice and let stand for a few minutes. Remember in any recipe calling for sweet or sour cream, Nestlé's Pure Thick Cream is perfect.

IN ANY DISCUSSION ABOUT DOG FOOD, nourishment is the key word. And so many dog owners have told me that all their dog-feeding problems are solved by DR. BALLARD'S CHAMPION DOG FOOD. You see, actual analysis has proven that Dr. Ballard's gives your dog up to 94% more nourishment than many of the so-called "bargain" brands selling at only a few cents less. You really can't afford to give your dog anything but the best . . . Dr. Ballard's Champion Dog Food!

A BARGAIN IS A BARGAIN . . . only when you have the cash to take advantage of it. That's why I urge my friends to open "special purpose" accounts at their neighbourhood branch of the BANK OF MONTREAL. Be sure to make regular deposits and you'll be delighted as you watch your savings grow. Then when some attractive bargain presents itself, you're there with the ready cash to take advantage of it. Wonderful "buys" are always turning up, and money in the bank can make the difference between wishing and having. So why not open your own "special purpose" account at your neighbourhood B of M today?

HAS THIS EVER HAPPENED TO YOU? A letter from a Halifax lady says that when she was papering a room she stooped to pick up a roll of paper, and was stricken by a sharp pain in the back, so severe that she couldn't stand up. She goes on to say: "I had heard of TEMPLETON'S T-R-C's through friends and so decided to try them. I am thankful to say that they gave me complete relief from pain." Since then, she says, she takes T-R-C's for relief any time she gets a back-ache or lumbago. Do try them yourself if you suffer from arthritic, neuritic, sciatic or rheumatic pain . . . and tell your friends about long-famous reliable T-R-C's.

Miss Joan McLeod feted at miscellaneous shower

Kristmanson, mothers of the affianced couple, Mrs. Arthur Kristmanson, Mrs. Walter Johnson, Mrs. Ole Olafson, Mrs. Alex Storrie, Mrs. Primo Vaccher, Mrs. Otto Mostad, Mrs. Oscar Giske, Mrs. Oliva Vaccher, Mrs. J. "MANY INFALLIBLE PROOFS"

Unbelievers must face the Resurrection. Without the Resurrection there would be no Christianity. The little prophetic movement in Judea would be buried in history's pie of lost causes. But in fact, God has authenticated Christianity by the Resurrection of Jesus.

We all want proof: "I'm from Missouri" is the typical attitude today. But the facts of the Resurrection should remove all doubts from the mind of any honest enquirer. Can we account for these facts, apart from the Church's interpretation of them?

Some have thought that Jesus didn't really die on the Cross. Men sometimes took days to die by crucifixion; but Jesus was taken down after only six hours. He wasn't quite dead ,and revived in the cool tomb.

But where did this revived Jesus end His broken life? This view also ignores the scourging ordeal, under which alone men often died. And what of the **coup de grace**, the lance thrust into His side? Above all, could a half-dead, resuscitated Christ produce the vitality of the new-found life of the crushed disciples? No, this confidence could only be inspired by a living and risen Lord.

Were the Resurrection appearances halucinations, mere projections of a wish-fulfilment? So far from wish-fulfilment, the disciples did not expect any resurrection: their refusal at first to credit the story of the empty tomb shows how completely they were taken by surprise. Even Saul, breathing fire against Christ, and having no wish to exterminate His followers, saw the risen Lord. The "psychologizing" explanation of the facts is built on straw.

Was the empty tomb a fraud? Did the Jews or the disciples remove the body. The Jews were so interested in keeping the body in the tomb that a guard was posted at their request. Is it really likely that the disciples removed Him? Men who have the lie in their soul do not behave like the disciples! A changed life based on conscious fraud is a moral impossibility.

The good news of our redemption from sin, and resurrection to the life of heaven is rooted in history "by many infallible proofs."
