Lemire, Anderson in line for loot

Lemire runs streak to nine victories

Gerry Lemire's apparently unbeatable rink and that of Bobby Anderson remained in two competitions at 3 o'clock this morning with a good chance at collecting some of the silverware up for grabs in the Prince Rupert Golden Jubilee Marine bonspiel.

The Lemire squad with nine wins and no losses was sitting pretty today already in the finals of the Secondary primary B Event by reason of a 10-5 victory over Pete Moroz in the 8 o'clock draw last night.

Lemire will play the winner of the Anderson-Shier encounter scheduled for early this afternoon in the finals tonight.

Lemire was also in the A event semis slated to meet the Terry Lewis RCMP rink at 10:30 this morning.

Bob Anderson's rink had a record of seven wins to only one loss just after midnight last night after he chalked up a narrow win over the Miner Simundson rink in the secondary to grand challenge C Event.

So close was the count on the final end that a referee was called to measure and Anderson got the nod by a quarter of an inch.

In the secondary to second primary D Event Kristmanson with a 6-1 record knocked off Dom Dominato's crew to make the semi-finals.

Also in the semis of D Event were John Pallister, Jack Laurie and Jack Mitchell with games scheduled for this afternoon. Pallister defeated Darrow Gomez, Laurie beat Irving Hill of Prince George and Mitchell disposed of Tom Lloyd.

In the C Event quarter finals Mel Mealy downed Larry Pruden of Terrace while Joe Scott defeated Stan Cooper 10-9 at 5 o'clock this morning. Rusty Ford, who beat out the Joe Giordano rink, was scheduled to meet Bob Anderson at 8 a.m. today.

CANADIAN CURLING CHAMPIONSHIPS, the Ernie Richardson rink from Regina, are shown holding the Scotch Cup which they hope to successfully defend tonight in the third game of a best-of-five series with a third straight victory. The Richardsons, from left, Wes, Garnet, Arnold and Ernie, beat the Scottish champions 14-7 last night and 11-8 last Friday.

Rainmakers head south to tourney

Prince Rupert Senior High school Rainmakers left for Vancouver today with high hopes of bringing back the British Columbia high school basketball championship.

The tournament, described by some as the season's loudest, most thrilling and completely unpredictable, opens at the University of British Columbia tomorrow.

The Rainmakers under the guidance of coach Don Hartwig will be one of 16 teams from throughout the province competing in the four-day tourney. Twenty-six games will be played between 10:30 a.m. tomorrow and 10:30 p.m. Saturday.

Prince Rupert Senior High school won the North Zone championship to be eligible to take part in the B.C. tourney.

Southern observers say five teams have the best chance to win the laurels: Courtenay on Vancouver Island, runnerup to Victoria last year; Abbotsford; Penticton, Magee of Vancouver and Vancouver College.

On the Rainmakers' squad are:

John Olsen, David Allen, Dick Specht, Mike Lemon, Don Martin, Bruce Mitchell, John Scuby, and Bill McLeod. Also going with the team is team manager Chris Harvey.

New plan set for Rose Bowl

SAN FRANCISCO (AP) — The Athletic Association of Western Universities Big Five decided Monday to select a New Year's Day Rose Bowl opponent from the top teams of the 1960 football season.

The "at large" selection was made necessary after the Big Ten withdrew from the Pasadena, Calif., classic.

Dr. Frank Kidner, University of California professor and spokesman for the Big Five, said all member teams would be eligible to become the host club this year. They are California, Stanford, Southern California, UCLA and Washington.

SPAHN STINGY

Braves trim Dodgers in exhibition game

By The Associated Press

Warren Spahn, Stan Musial and Hank Bauer, three of major league baseball's active elder statesmen, took over the starring roles Monday in a meager schedule of exhibition baseball games.

Spahn gave only two unearned runs in six innings to his old nemesis, Los Angeles, as Milwaukee Braves registered a 6-4 victory; Musial drove in three St. Louis Cardinal runs in a 12-8 victory over the Cincinnati Reds; Bauer accounted for five runs in Kansas City's 10-1 thumping of New York Yankees.

The Pittsburgh Pirates snapped Chicago White Sox' three-game winning streak 8-5 in the only other game scheduled.

STINGY SPAHN

Spahn, who will be 39 next month, and whose lifetime record is 14-30 against the Dodgers, gave up only five hits. He struck out three and didn't allow a walk. Third baseman Eddie Mathews' error accounted for the unearned runs.

Musial, 39, had a home run and two-run double in leading St. Louis' 18-hit attack. Jerry Lynch had a grand-slam homer for the Reds and Ed Bailey hit one with two on to account for all of Cincinnati's runs.

Bauer, 37, and Norm Sieburn, traded by the Yankees to Kansas City last winter, drove in seven runs. Bauer had two doubles and three singles and Sieburn a two-run double.

The Pirates scored five times in the last three innings to beat the White Sox. Danny Kravitz had two singles for the Pirates, who benefited from eight walks given by Barry Latman and loser Dick Donovan. Minnie Minoso had three hits for the American League champions.

Richardson rink seeking third win

EDINBURGH (CP) — The Ernie Richardson rink from Regina, with two straight victories in the bag, enters the third game of the Scotch Cup curling series tonight in Glasgow with a strong chance of scoring an outright victory for Canada in the best-of-five series.

The Canadian champions easily beat the Hugh Neilson rink, winners of the Scottish championship, 14-7 here Monday night after taking the first game 11-8 Friday.

Richardson blazed the trail for Monday night's victory with two cold draws through a narrow port in the first end. After two ends the visitors took a 4-0 lead and went on to freeze the result with a three-ender in the fourth.

ON TOP THROUGHOUT

The Canadians, displaying a combination of knockout and draw curling, were on top throughout the game. Whenever the Scots got two rocks into the house they were quickly polished off by the Richardson foursome.

Commented skip Nielson afterwards: "We can't keep up with them. At least, not until we get the rules standardized."

Richardson, confident of retaining the cup, said the Scots would not have won more than four games if they had played in this year's Canadian curling championship.

Edinburgh city council paid a rare compliment to the Canadians Monday night by spotlighting Edinburgh Castle in their honor.

The Richardson rink, together with supporters who accompanied them to Scotland, are due to land at Malton Airport, Toronto, Friday night.

Frick may rule in Lane's favor

SCOTTSDALE, Ariz. (AP)—Baseball commissioner Ford Frick says he may rule in favor of Frank Lane in the Cleveland trader's running fight with Bucky Harris, general manager of Boston Red Sox.

"But before I can render a decision, I'll have to have all the facts," Frick said Monday night.

The feud was touched off when Red Sox catcher Sammy White and Jim Marshall were traded to Cleveland Indians for Russ Nixon. White then retired to devote full time to a bowling business.

Lane, Cleveland general manager, said the trade was off and demanded Nixon's return. Harris refused. A heated exchange of telegrams followed.

Frick said: "We have a rule in baseball that in the event a traded player doesn't report to his team by 10 days after the season opens, the deal is cancelled.

"The rule is clear and simple. If White isn't with the Indians by the specified time or he applies to be voluntarily retired before the 10th playing day of the season, the deal would have to be cancelled."

CHAMP'S RIB BROKEN

Unknown Texas fighter scores TKO over Brown

SAN ANTONIO, Tex. (AP)—Joe Brown, world lightweight boxing champion, suffered a staggering technical knockout at the hands of a virtual unknown Monday night and faces an indefinite period of inactivity.

It was his first defeat in 16 months but it was only pride that he lost. The title wasn't at stake.

Author of the upset was Ray Portilla of Houston, Tex. Brown, from Baton Rouge, La., was working easily against Portilla when he caught a wild swing on the side of his body in the fourth round of the scheduled 10-rounder.

Brown coasted the rest of the round and in the fifth before telling his handlers he couldn't continue. The fight went into the books as a sixth-round technical knockout.

Brown was taken to hospital, where authorities said he suffered a fractured costal cartilage. A doctor said this was the "same as a broken rib." He said the champion will be out of action for at least a month and "probably several more."

Brown said the blow "started hurting immediately and that's when I started running around." The champion backed away and the fans booed, not knowing about his injury.

Brown weighed 136½ pounds to Portilla's 141.

Minnesota end Dick Johnston signs with Lions

VANCOUVER (CP) — First-string end Dick Johnston from the University of Minnesota has been signed by British Columbia Lions for the 1960 Football Union season, the Lions said today.

Johnson is 20 years old, six feet four inches tall and weighs 215. He was an all-state high school performer in Red Wing, Minn., and took over first-string end position in his sophomore year at Minnesota.

He held the position for most of his junior season despite a series of injuries. He dropped out of university without taking his senior year.

Lions backfield coach Dave Skrein, who coached Johnston at Minnesota before coming here, said the end had the best pair of hands on the Minnesota squad and above average speed."
