REPAIRS FOR PLANK ROADS

Building Inspector to Make Inspections—Board of Works Will Do Work.

The building inspector is to be asked to make another inspection of plank roadways in the city with a view to having repairs made that are absolutely necessary. The Board of Works has been authorized to have the work done where necessary.

The matter was brought up at the council meeting Monday night by Ald. Perry, who stated that the plank roads were becoming increasingly worse. He referred to the condition of the Hays Creek bridge and McBride Street. He suggested short term bonds as a method of financing. If necessary some work could be charged up to next year's estimates if this year's were strained.

Speaking of finances, Ald. Dybhavn stated that as far as the Section 5 work was concerned they had not learned from the bank what it would do towards financing it. The work on Fulton Street was being proceeded with and he had reason to believe that the bank would finance this. The same applied to McBride Street. Estimates had not been made yet for Ambrose Avenue. The repairing of the Hays Creek bridge would be a matter for general fund to pay for. If there was any work absolutely necessary it would be up to general fund to take care of it. All that was necessary was for the board of works to proceed with it. The financing would have to be arranged.

Sport Chat

Prince Rupert skaters are now assured of a suitable place close at hand to enjoy the popular winter pastime. The responsibility of getting Morse Creek dam put in shape has been left with the municipal board of works and the sum of $150 has been put at its disposal to carry the work out. This should be sufficient according to the opinions of those who know what has to be done. It has been some years since this place has been much used and the news that it is to be again available will be welcome to all. Every care should be taken in carrying out the work to see that there will be no possible way for the water to escape below the spillway. If it should leak it would prove both dangerous and unsatisfactory. If possible the water level should be raised even higher than it was before so that the most of the stumps will be covered and there will be a larger area of clear space.

• • •

There is going to be plenty of visiting between the Wanderers and Prince Rupert Clubs this winter if the schedules now arranged for billiards, snooker, bridge and solo are carried out as it is intended they should be. It is proper that this should be so and that the members of the two best clubs in town should meet in friendly competition. Nearly every club member will be accorded an opportunity of visiting the other club for nearly all engage in at least one of the four pastimes. The Moore Shield for bridge, the McMordie Cup for billiards and the Peck Shield for solo are all splendid trophies worth competing for. It is likely that before the season is much further advanced somebody will be putting up a trophy for the fourth inter-club game—snooker.

• • •

The Basketball League is making good progress with its plans for the winter program of sport. Schedules for practice at the Exhibition Hall have been drawn up and the schedules for the league games will be arranged at the meeting on Friday night. The makeup of the leagues is about the same as was formerly announced with the exception of the Intermediate where the Elks have placed a team making the fourth entry. The Juniors seem to be having some difficulty in organizing and it is understood that if they cannot get more than two teams in the leagues arrangements will be made to amalgamate with the school children. The League has now taken over the Exhibition Hall and from now on will be responsible for it. More lights are being put in and it is hoped that stoves may also be obtained for use there. The posts are being padded and the work of changing booths into dressing rooms is going on.

WHAT ABOUT THAT FIVE DOLLAR VERSE?

One with Christmas Flavor Wanted by McRae Brothers for Xmas Card.

McRae Brothers are offering a present of five dollars for the best verse with Christmas sentiment suitable for printing on a Christmas card. The verses submitted will be published in the Daily News and the prize wil be awarded at the close. This is to be a short, snappy competition so any one who can think up a verse should get busy at once. A long verse is as good as a short one, but it should have a local flavor Prince Rupert or Northern British Columbia should be mentioned or alluded to in it. The name of the winner only will be published.

LIBERAL ROOMS ARE OPENED ON SECOND AVE., PATTULLO BLK.

The Liberal rooms are open and there is usually someone there any afternoon or evening. Those who stand for the principles of Liberalism are asked to make the rooms their headquarters in the evenings and lend a hand in the election of Fred Stork to the Federal Parliament on December 6.

Reports from outside points and the city indicate that Fred Stork is likely to be elected. There is everything to encourage his supporters, but there is work to be done and all those who can do so are asked to make a point of looking in at the committee rooms as often as possible.
