## THE MAGNETIC GIRL

**HOW SHE COMPELS OTHERS TO OBEY HER WILL.**

**100,000 Copies of Remarkable Book Describing Peculiar Psychic Powers to Be Distributed Post Free to Readers of The Prince Rupert News.**

"The wonderful power of Personal Influence, Magnetism, Fascination, Mind Control, call it what you will, can surely be acquired by everyone no matter how unattractive or unsuccessful," says Mr. Elmer Ellsworth Knowles, author of the new book entitled "The Key to the Development of the Inner Forces."

The book lays bare many astounding facts concerning the practices of the Eastern Yogis, and describes a simple though effective system of controlling the thoughts and acts of others; how one may gain the love and friendship of those who might otherwise remain indifferent; how to quickly and accurately judge the character and disposition of an individual; how to cure the most obstinate diseases and habits without drugs or medicines; even the complex subject of projectinb thoughts (telepathy) is explained. Miss Josephine Davis, the popular stage favorite, whose portrait appears above, declares that Prof. Knowles' book opens the door to success, health, and happiness to every mortal, no matter what his or her position in life. She believes that Prof. Knowles has discovered principles which, if universally adopted, will revolutionize the mental status of the human race.

The book, which is being distributed broadcast free of charge, is full of photographic reproductions showing how these unseen forces are being used all over the world, and how thousands upon thousands have developed powers which they little dreamed they possessed. The free distribution of the 100,000 copies is being conducted by a large London institution, and a copy will be sent post free to anyone interested. No money need be sent, but those who wish to do so may enclose 5 cents (stamps of your own country) to cover postage, etc. All requests for the free book should be addressed to National Institute of Sciences, Free Distribution Dept., 1553 A, No. 258 Westminster Bridge Road, London, S. E., England. Simply say you would like a copy of "The Key to the Development of the Inner Forces," and mention The Prince Rupert News.

### WATER NOTICE.

Take notice that the Prince Rupert Hydro-Electric Company, Limited, of Montreal, Quebec, has filed with the Honorable the Minister of Lands under Part 6 of the Water Act a petition for the approval of their undertaking in relation to the utilization of 1,500 inches of water from Thulme River, Quatoon Inlet, Skeena Water District, for power purposes.

Application for the said water rights was made on the 20th day of September, 1908, by the Continental Power Company, Limited, which last mentioned company has transferred to the Prince Rupert Hydro-Electric Company, Limited, their interest therein.

Copies of the petition, plans and exhibits for approval of the undertaking as required by Section 89 and Part 6 of the Water Act have been filed with the Comptroller of Water Rights and with the Water Recorder at Prince Rupert.

Objections to the application may be filed with the Comptroller of Water Rights, Parliament Building, Victoria, B. C.

Dated at Prince Rupert, B. C., this 2nd day of October. A. D. 1913.
