MERELY MABEL REMARKS

That the Hello Girls are happier this hot afternoon in the prospect of that forthcoming electro-fan.

That the Mayor may think Prince Rupert can't afford \$15 for a fan, but quite evident the citizens don't.

That nevertheless the mayor may take refuge in the feeling that the principle of economy was all right anyway, and that even Morrissey may admit that.

That dozens of Rupert really men are busily engaged in hunting up the weather record to show Vancouver visitors.

That the Tidal Expert may be able to tell us if it is true that the Japan Current is entering the Harbor.

That the bathing boys believe it anyway.

That the lacrosse situation below is ludicrous.

That we all love Schreiber when he talks golden spike soon.

"My dear girl," exclaimed an elderly lady, "do you know that the man you are intending to marry drinks and gambles?"

FORT GEORGE

Fort George is situated midway between Prince Rupert and Edmonton, being at the junction of the two great waterways in B. C.

FORT GEORGE will be the Hub of British Columbia, because the railways have to follow the rivers for a natural grade.

FORT GEORGE will be a great distributing centre, like Calgary, Edmonton, Winnipeg, because all the grain of the prairies will come through there on its way to the coast.

FORT GEORGE will have miles and miles of trackage facilities, also elevators, flour mills, breweries, etc.

Fort George has a good climate and is a good mixed farming country.

FORT GEORGE district and Cariboo district are rich in minerals.

FORT GEORGE will be connected by train with Edmonton by next spring.

Lots in Fort George are selling fast and advancing in price; take advantage of this disappearing opportunity and call it once at.
