Referees turn hockey tide

Savoy's lead fades as infractions rise

By KEN SPECHT
Daily News Sports Writer

The fickle finger of fate in the form of referees' decisions turned a sure victory into near defeat for Senior Floor Hockey League Savoys. The digit of destiny figured prominently as pennant-winning Sport Shop battled to a 9-9 deadlock Tuesday night with the hotelmen, now in sole possession of second place.

The game made history as it was the second tie ever recorded in the league and came on the heels of a 3-3 game between Savoy and RCMP on th last league outing Friday night.

With the score 7-3 for Savoy at the end of the second period Sports Shop fired home six counters in the final frame with Savoy players in the sin-bin during every score.

With 11 seconds remaining and Sports Shop leading 9-8, the sportswear goalie Ron Tsuji knocked the puck into his own net while attempting to clear it from the crease. Two Savoy players were in the penalty box sitting out minor infractions.

	W	T	L	GP	Pts.
Sports Shop	12	1	5	18	25
Savoy	8	2	7	17	18
RCMP	8	1	7	16	17
Parkers	3	0	12	15	6

Savoy's Alf Moran jammed his stick into the puck, lowered his head and bulled his way through Sports Shop's defence to fire home five goals to lead in the scoring. Sports Shop's defenceman George Robinson followed, blasting in four counters.

Robinson opened the scoring at 1:55 of the first period with a 15 foot screen shot but the Sports Shop lead was short-lived as two minutes later Savoy's Frank Shannon backhanded a 20-foot shot by goalie Ron Tsuji to tie it up.

Savoy ended the period with a 4-2 lead on two goals by Moran and one by George Warner, to one by Sports Shop's Gordie Cameron.

During the second stanza Savoy increased their lead as Moran dented the twine on two more occasions followed by a singleton from Klause Callies. Robinson scored Sports Shop's lone second-period counter.

A total of 12 penalties were handed the Savoy crew in the final period as sportswear's Ernie Novakowski pulled out of his scoring slump to net two counters while his teammates George Robinson and Joe Didichuck also fired in two goals.

For Savoy Bill Gurney and Alf Moran gained one goal apiece, in the last period.

A sterling goaltending performance was turned in by Savoy's Lorne McMillan who turned aside 24 shots of the 30 bombarded at him during the final frame where the hotelmen were almost perpetually shorthanded.

Through the course of the game McMillan handled 58 shots while his counterpart in the Sports Shop net, Ron Tsuji, was called on to kick out 25 of 34 shots.

Referee's Ron Davies and Floyd Jessop handed out a total of 35 penalties during the game, including a game misconduct to Sports Shop's Bill Sunberg, while attempting to keep tempers in check.

Twenty-three of the penalties went to the Savoy squad.

Two nations sidelined at Olympics

SQUAW VALLEY, Calif. (AP) — The dissension-plagued Winter Olympics open Thursday with Nationalist China and India still on the sidelines.

The International Ski Federation, which controls ski competition, Tuesday night referred back to the International Olympic Committee the question of allowing Formosa's lone skier, Cheng Hung Loo, to compete. There seemed little chance he would be let in.

The federation also rejected another one-man national team, Jerry Bujakowski, Polish-born citizen of India. But it gave him the honor of going down on the slalom and giant slalom course first.

With India and Nationalist China out, there are 31 countries represented by 850 athletes.

PERFECT WEATHER

Weather conditions appeared perfect for the $20,000,000 10-day festival but there were indications it would be a financial flop. Only about 15,000 spectators are expected Thursday in the picturesque valley ringed by mountains. It can accomodate 35,000.

Hockey, which has rivalled skiing as a centre of controversy here, appeared to be calming down. The International Hockey Federation submitted to a 10-day rather than an 11-day schedule with the first games Friday.

Among other developments, Willi Bogner, 18-year-old skiing star from West Germany, was not entered in the giant slalom and his place was taken by Sepp Behr. Gogner will compete in the downhill and probably in the slalom.

A Swiss mother, expected to be a bright star of the Games, was entered in the downhill. She is Madeleine Chamot-Berthod, the defending champion. She injured her head a month ago and reinjured it here in practice, but apparently is on the mend.

LAST NIGHT'S FIGHTS

Tight race featured in Junior puck loop

With three games remaining and two points separating the top two teams in the Junior Floor Hockey League, the pennant chase may not be decided until the final night.

Parkers moved into a commanding position Tuesday at the Civic Centre as they grabbed a two-point edge over their nearest rivals, Ormes, with a 10-7 win over RCMP. Ormes and Parkers were tied for the lead before the game.

Fine defensive backing by Parker's Robert Arnstrong and Larry Atchison allowed RCMP marksmen only 23 shots on goaltender Ray Windle.

Parkers applied a concentrated attack to break through the constabulary's defence for 37 blasts on goalie Gerd Gottschling.

	W	T	L	GP	Pts.
Parkers	10	1	6	17	21
Ormes	9	1	5	15	19
RCMP	7	1	10	18	15
Sports Shop	4	1	10	15	9

Parkers' Bob Armstrong and RCMP's Bill MacLeod dominated the first period scoring as they netted two goals apiece.

The second period saw the Thunderbirds gain a 7-4 lead as Ken Nakatsu and Ken Cameron tallied twice and Pat Ohara scored once. For RCMP Jim Murdock and Jack Martin notched one each in the second.

RCMP could only manage a tie in the goal scoring during the final stanza as Bill MacLeod scored his third goal of the game and Murdock and Martin fired in once apiece.

For the victors in the third period Bruce Kerr scored twice and Skip Cronk tallied once.

Only seven penalties were levied by referee's D. Bebe Specht and Jim Arseneau with five to RCMP.

Athletics star dies at 69

IPSWICH, Mass. (AP) — John (Stuffy) McInnis, first baseman in the old Philadelphia Athletics' famed $100,000 infield, died Tuesday after a long illness. He was 69.

McInnis began his 18-year major league career with the Athletics in 1909 and formed a potent infield with Eddie Collins, Jack Barry and Home Run Baker. The team won the world series in 1910, 1911 and 1913.

McInnis later played for Boston Red Sox, Cleveland Indians, Boston Braves and New York Giants. He then managed Philadelphia Phillies.

McInnis had a .308 lifetime batting average in the majors, playing in 2,128 games. He posted a remarkable .990 in fielding average.

Among his records: Most consecutive chances at first base without an error—1,625; most errorless games in a row—163.
