BULKLEY VALLEY COAL

IS A HIGH CARBON, NON-COKING, BITUMINOUS COAL

That can be used to economical advantage in all styles of fire boxes. In your kitchen range try the nut-egg size and simply shake the bottom grate when a hot fire is desired. For heaters use single screened lump. In furnaces use single screened lump with a generous portion of fined added to hold a slow fire or banking over night. You will use no other fuel after becoming accustomed to—

All goods guaranteed. City tickets acceptable. The Montreal Importers. Meeker Block.

Misery Is Ended; Weakness Gives Way to Strength

"For three years I suffered almost constantly with stomach trouble. I was so nervous at times I could not sleep over two hours at night. Often I had a severe headache all day long. Unless I took laxatives regularly I would become terribly constipated. Sargon acted almost like magic in my case, and I can now eat anything I want without the least distress. Sargon Soft Mass Pills regulated my bowels perfectly. I now feel like an entirely different person in every way."—Mrs. Gladys Prout, Toronto, 201 Caledonia Road.

ORMES LIMITED

A. Marler of Haysport is paying a brief visit to the city, having arrived on last night's train from the Skeena River.
