Teams in reverse while Giants move

By JACK HAND
Associated Press Staff Writer

The American League's first-division clubs spent most of Sunday in reverse gear. Balitmore Orioles lost two games, Chicago White Sox dropped into fifth place and New York Yankees and Cleveland Indians bowed to rain.

By the simple process of sitting in the clubhouse while it rained, Cleveland took over undisputed possession of first place, a half-game or 22 percentage points ahead of the Orioles.

Detroit Tigers edged into fourth place by splitting two games with Washington. Boston dropped Chicago behind the Tigers and the Orioles with a chance to pick up ground in the league race, fell twice before Kansas City Athletics, 6-1 and 5-3 in 10 innings.

EIGHTH WIN

Pitcher Bud Daley tamed the Birds in the opener, allowing five hits and striking out 11 men. It was his eighth victory, the last seven in succession.

Chuck Estrada and Gordon Jones were the losers.

The double-header between New York and Cleveland was rained out.

The idle Indians passed the Orioles and the Yanks edged to within 1½ games of the top.

Pete Runnels, brightest spot in a dreary year for Boston won a 4-1 victory over Chicago. Hurler Frank Sullivan went all the way to beat Bob Shaw.

In the first game of a double-header the Senators whipped the Tigers 8-3 behind Camilo Pascual and Don Lee while in the second engagement, the Tigers rapped Washington pitching for 12 hits and a 12-5 decision. Rocky Colavito connected with a pair of homers. The clubs combined for 11 homers in the doubleheader.

Saturday, the Senators edged the Tigers 8-7, the Yankees beat the Indians 6-4 and the Orioles defeated the Athletics 6-5 in 10 innings. Chicago and Boston split a doubleheader, Boston winning the first game 5-4 and losing the second game 8-4.

NATIONAL LEAGUE

San Francisco's Willie McCovey slammed a Carl Willey fast ball out of the ball park for the first grand slammer of his brief major league career to lead the Giants to a 16-7 win over Milwaukee.

Pittsburgh clobbered St. Louis 15-3 in the first half of their double-header, but then went down 5-2 in the second.

FOUR-HITTER

Stan Williams, the Los Angeles strong man, won his fifth with a four-hitter against Cincinnati 3-1. Always known as a wild man, Williams walked but one and struck out eight. Richie Ashburn's 10th inning single enable the Chicago Cubs to shade the last place Philadelphia Phillies 8-7 in an uphill fight.

The Giants' game was a wild affair with a total of 31 hits. They set a new National League record and tie the major league mark by playing a nine-inning game in three hours and 52 minutes. They topped the old National mark by two minutes.

Chuck Dressen, Milwaukee manager, started George Brunet, a left-hander brought up Saturday from Louisville. He lasted 3 2/3 innings before being pulled. Ron Piche, the second of five Brave pitchers was the loser. Billy Loes, second of five to work for the Giants, was the winner.

TRACK MEET HIGH AGGREGATE winners are shown above at first "Awards Day" held in the Prince Rupert Senior High school Friday. At left is John Olsen who set a high jump record and won the shot put at the track meet held last month. Lorna Kinney at right set two girls records, the discus and baseball throw and placed second in the shot put.

Wiremen clobber Kin for second victory

Electricians of the Little League ignored their past record of six losses and one win Friday as they clobbered Kinsmen 15-1 at Algoma Park.

Paced by the six-hit pitching of Bob Donaldson the wiremen pulled into a 7-0 lead in the first inning, increased it by five in the second and added three more in the third to lead 15-0.

Kinsmen spoiled Donaldson's shutout in the final inning when Bob Miners scored.

During the game Donaldson struck out six and walked none.

The fired up wiremen reached the combined offerings of John Bond and Miners for a total of 12 hits. They received five free passes to first base and fanned three times.

Donaldson was also top batter of the evening with two singles in three times at bat.

QUALITY CANADIAN PRODUCTS CONTAINING QUALITY INCO NICKEL AND COPPER

NICKEL and COPPER bring you the comfort, security and convenience of modern electrical living

NICKEL. For electrical heating and cooking, no other metal is as important as nickel. Nickel chromium resistance wires in your heating appliances help insure efficient operation and long dependable service. Nickel alloys are used as a sheathing in the surface and oven heating elements of modern electric ranges.

COPPER. For residential wiring no other metal conducts electricity as economically nor as well as copper. It brings to your home all the wonderful advantages of electric light, heat and power—the utility of modern household appliances—the security and convenience of the telephone—the pleasant relaxation of radio and television.
