ALDER DOES GOOD WORK

Secures Passing of Resolution at Victoria Boards of Trade Convention.

TELL'S RUPERT'S NEEDS.

A report was read at the meeting of the Board of Trade last night from W. J. Alder telling of his activities as representative of the Board at the Convention of the Associated Boards at Victoria. Mr. Alder was thanked for his services in acting for Prince Rupert. The report follows:

The Report.

The Associated Boards of Trade for B. C. concluded its sessions in this city yesterday afternoon after what was generally regarded as the most successful gathering that they have had. There were 23 Boards of Trade represented.

A feeling of optimism prevailed and I believe a most earnest desire for co-operation between all sections and with the government for the development of all parts of the Province.

You delegate was placed on the Resolution Committee which gave him an opportunity for greater usefulness to Prince Rupert. With I think, three exceptions all resolutions that were passed had been sent in direct before the convention met and were in printed form as enclosed. I recognized that we were at a disadvantage but I managed to get in a resolution that I thought of most importance to Prince Rupert. It is as follows:

Ask for Road.

"Resolved that whereas the city of Prince Rupert and the rapidly growing settlements along the line of the Grand Trunk Pacific and the Skeena River have no outlet by road or highway and the need of such an outlet is constantly increasing, we do therefore request that surveys be at once undertaken and that work be commenced as early as possible to connect Prince Rupert and the aforesaid settlements with the interior and the rest of the Province."

This was passed unanimously and with eight other road requests will be forwarded to the Provincial Government and with our two cabinet ministers to smooth the way the ball might be started. I feel that now is the time to push for a road for it is not to be expected that we will always have two cabinet ministers and two deputy ministers at the parliament buildings.

Port Facilities.

There were some resolutions introduced for improving port facilities as assembly wharves and grain elevators, but in each instance there were changed in the Resolutions Committee so as to take in Prince Rupert and the other ports on this coast.

In regard to roads there was quite a little opposition expressed in Convention to asking for anything but trunk roads and that gave me a good opportunity to tell them a little about Prince Rupert the fifth city in the Province in point of population and commerce and with not a mile of roadway outside its limits.

Fisheries Control.

In regard to fisheries control, the resolution asked for Provincial control but was changed to what I understand had been agreed by the fishing interests of the North as well as the Southern part of the Province and asks for a resident deputy federal minister. There were a lot of things that I would have liked instructions on. There was the question of a duty of 2 cents on crude oil that was pressed by the coal mine interests and a lot of other things.

In discussion on "Invitation Week" in which everyone is requested to invite their friends to visit B. C. I suggested that we should have a "Home Coming Week" for all Canada. Afterwards Mr. McKelvie of Vancouver came to me and suggested that the idea was a good one and that a resolution endorsing it should be brought in. The next morning he brought me the resolution typewritten as follows:

Invitation Week.

"Recognizing the importance of the movement initiated by the Publicity Bureau of the Vancouver Board of Trade in connection with the B. C. Invitation Week,

"Be it resolved that the Associated Boards of Trade of B. C. request the Council of the Vancouver Board of Trade to suggest to the Publicity Bureau that it undertake to bring before the Boards of Trade of Canada the institution of a "Home Coming Week" for the summer of 1923, during which time former residents of Canada be invited to return to visit the Dominion,

"And further that the Associated Boards of Trade of B. C. pledges all possible support to such movement."

Carried Unanimously.

This resolution was presented from the Prince Rupert Board of Trade and carried unanimously. This and the road resolution were the only ones from the Prince Rupert Board and I trust will meet with your approval.

I expect to be in Rupert before the end of this month but if there is anything that I can do at any time just command me.

PRESIDENT METHODIST CONFERENCE FOR B. C. GIVEN A RECEPTION

Captain J. R. Wright Spoke to Local Congregation Last Evening.

A congregational reception was held last night in the social rooms of the Methodist Church in honor of Captain J. R. Wright, president of the British Columbia Methodist Conference, who has been spending a few day's informal visit in Prince Rupert. Rev. G. G. Hacker presided and there was a good attendance of members and adherents of the church.

The gathering was addressed by Captain Wright who prefaced his remarks with a talk to boys on the heroes of the war. Having served throughout the war and rising from the ranks to the captaincy, Captain Wright was quite at home with this subject and was very interesting indeed.

Speaking later to the grown-ups especially, Captain Wright dealt with the four fundamentals of life, work and the joy of work, play and the co-operation of work and play, friendship and religion.

E. V. Ling rendered a solo and the Ladies' Aid then served refreshments. The balance of the evening was spent informally, those present personally meeting the guest of the evening.

Yesterday afternoon Captain Wright addressed the Women's Missionary Society at a gathering in the parsonage, Miss F. Hudson presiding.

Captain Wright, who arrived in the city on Wednesday, went out on this morning's train enroute to Toronto where he will attend sessions of the transfer committee prior to the holding of the annual conference. During his stay here he took opportunity to see the city generally and expressed himself as surprised at the size and activity of the place.

WANTS SCOTS GUARDS BAND TO COME HERE

Unfavorable Reply Received to Invitation, but Still Hoped Arrangements May Be Made.

In reply to an invitation sent by the local Great War Veterans to the regimental headquarters of the Scots Guard Band, which is to make a tour of Canada this spring, A. B. E. Cator, commanding colonel, has written that the request can not be acceded to for the program for the tour has already been drawn up.

Despite this unfavorable reply, Mr. Mackenzie, secretary of the G. W. V. A., states that he is still of the opinion that a visit here of the famous band could be arranged if a determined effort were made. Other organizations in the city have been asked to co-operate with the efforts of the G. W. V. A., but so far little more has been done by them than expressing the desire that the band might come here. Expenses would be large, but it is thought that by the holding of a concert they might be partly defrayed.

The Scots Guard Band, which is one of the finest in the world, will visit Vancouver and Victoria early in May.

LIBRARY BOARD MAY BE APPOINTED MONDAY

Books Now on Shelves Number 2048 and Volumes Still Coming.

There are still a few books coming in, G. V. Wilkinson reports. He has now on hand 2048, all ready to hand over to the new library board as soon as it is appointed. The class of book coming in of late averages better than those contributed earlier.

It is expected that the library board will be appointed on Monday next. As soon as they are given the power it will be their duty to make preparations for the inauguration of the library.

PIMPLES ON FACE
DIDN'T LIKE TO GO OUT

Those nasty little pimples that break out on the face and other parts of the body are simply indications that the blood is out of order and requires purifying.

There is only one way to get rid of this obnoxious skin trouble, and that is by giving the blood a thorough cleansing which can best be done by that old reliable blood medicine

BURDOCK BLOOD BITTERS

and when the blood is purified the pimples will vanish and you will have a clear, healthy complexion.

Miss Mary E. Flanagan, R. R. No. 3, Stella, Ont., writes:—"I suffered for about two years with pimples and blotches breaking out on my face. The doctor said it was caused by bad blood. My face was so bad that I didn't like to go out among a crowd of people. One day I was talking to a friend, and she advised me to get a bottle of Burdock Blood Bitters and try it. I just took three bottles, and there was not a blotch or pimple of any kind left. Some of my friends asked me what I had used and I said, 'Burdock Blood Bitters chased them'."

B. B. B. has been on the market for the past 45 years, so you are not experimenting with some new and untried remedy.
