PIMPLES ON FACE
DIDN'T LIKE TO GO OUT

Those nasty little pimples that break out on the face and other parts of the body are simply indications that the blood is out of order and requires purifying.

There is only one way to get rid of this obnoxious skin trouble, and that is by giving the blood a thorough cleansing which can best be done by that old reliable blood medicine

BURDOCK BLOOD BITTERS

and when the blood is purified the pimples will vanish and you will have a clear, healthy complexion.

Miss Mary E. Flanagan, R. R. No. 3, Stella, Ont., writes:—"I suffered for about two years with pimples and blotches breaking out on my face. The doctor said it was caused by bad blood. My face was so bad that I didn't like to go out among a crowd of people. One day I was talking to a friend, and she advised me to get a bottle of Burdock Blood Bitters and try it. I just took three bottles, and there was not a blotch or pimple of any kind left. Some of my friends asked me what I had used and I said, 'Burdock Blood Bitters chased them'."

B. B. B. has been on the market for the past 45 years, so you are not experimenting with some new and untried remedy.

Put up only by The T. Milburn Co., Limited, Toronto, Ont.

REV. HACKER GOING SOUTH ON CHURCH AND LIBRARY WORK

Rev. Geo. G. Hacker and Mrs. Hacker leave tomorrow night on the Prince Rupert for Vancouver and Victoria. Mr. Hacker will attend the Boy's Work Conference, to be held in Vancouver on May 15 and 16, also the Methodist conference to be held May 16 to 25. Mrs. Hacker is a delegate to the Women's Missionary convention to be held in New Westminster from May 16 to 18.

While in the south Mr. Hacker will take up questions affecting the new local library and will have with him a list of the books already in possession of the library committee with a view to taking up the question of supplementary books with the government authorities in Victoria. While in Victoria Mr. Hacker will also confer with H. F. Pullen, another member of the board.

Ald. Collart, the city representative on the board is receiving suggestions as to suitable volumes.

YUKON RIVER BOATS WILL BE TOO BUSY TO HANDLE TOURISTS

Although it is expected that more tourists than ever will be wishing to make the trip into the Yukon this summer, the river steamers on the Yukon River will be so busy carrying freight and passengers to Mayo camp that it will be impossible to handle them all. This statement was made by W. D. Gordon, superintendent of the White Pass and Yukon route who passed through the city going north on the last trip of the Princess Mary. There will be no "Midnight Sun" excursion this year.

FALSE ECONOMY

The family that does not provide for laundry service in the weekly budget is practicing false economy. Under our new plan, **Laundry work by the pound,** practically the entire family bundle washed and returned, damp almost ready for ironing, for **$1.25.**

This is the cheapest Laundry Service ever offered locally, and the husband who has the welfare of his family at heart cannot afford to pass this service up without serious consideration.

We have also our **Soft Finish Service,** where for a small additional charge, everything is dried and all flat pieces ironed and folded.

To those who can afford the small additional cost, this is the most complete service possible, without finishing the entire bundle. The cost will be found to be considerably below the prevailing price.

A trial will convince you of the merits of this service.

Supreme Brand
FRESH ROASTED **COFFEE** FRESH ROASTED

"Supreme" Brand is Fresh Roasted

Tastes as Good as it Smells

The value of coffee as a beverage lies primarily in its strength and flavor. Green coffee will keep indefinitely, but such is not the case after it has been roasted.
Roasting brings out the flavor and aroma. Coffee becomes stale because of loss of these aromatic principles.
We are roasting and packing for current requirements only, realizing that, essentially, coffee must be fresh roasted to prove perfectly satisfactory.
