FOR A LICENSE TO TAKE AND USE WATER.
Notice is hereby given that the State of New Jersey, by its Attorney General, John J. Hoffman, Esq., of the County of Hudson, has caused to be filed in the office of the State Engineer at Trenton, New Jersey, a certain application for a license to take and use water from the West Creek, which flows in a natural channel through East and West Canastota, New York, and empties into Passaic River, near Canastota, New York. The water will be diverted at a small dam to be constructed at the mouth of the creek for the purpose of the land described as Lot 1, Block 1, Canastota.

This application was filed on the ground that the State of New York, by its Attorney General, John J. Hoffman, Esq., of the County of Dutchess, has caused to be filed in the office of the State Engineer at Albany, New York, a certain application for a license to take and use water from the West Creek, which flows in a natural channel through East and West Canastota, New York, and empties into Passaic River, near Canastota, New York.
