## PROCESS OF COURT IS BEING ABUSED

**City Solicitor Criticises Ed. Hansen Informant in Charge Against Lena Silver**

The case of Lean Silver, charged with theft of $300 from Ed. Hansen, fisherman, was further adjourned in the police court this morning, the informant again failing to put in an appearance.

Commenting on the many adjournments that have already had to be taken in the case, City Solicitor Jones suggested that the informant was abusing the process of the court. After laying the charge originally about the middle of September, he had failed to appear and after four adjournments the charge was dismissed. He had taken the matter up with the Attorney General, however, and the case had been ordered reopened and there had already been three more adjournments. The solicitor objected to the informant using the court in such a manner for his own convenience. Hansen is a halifut fisherman.

## EFFICIENCY MINISTER SAYS MAJOR BURDE OF PUBLIC WORKS HEAD

VICTORIA, Dec. 5.—One of the little sidelights during a recent interchange between the leader of the opposition and the Independent member for Alberni will give an indication as to how a loose employment of facetious terms may hoist the user with his own Petard. Mr. Bowser referred to the minister of public works as the cost-plus minister; but the echo had scarcely died down before Major Burde threw out a rejoinder to the effect that if Dr. Sutherland was a cost-plus minister, he was also an efficiency-plus minister.

## HER CHILDERN HAD WHOOPING COUGH

This is one of the most dangerous diseases of children. It starts with fever and cough. The cough is at first short and sharp, but gradually increases in severity and occurs in sudden spasms, vomiting follows, and sometimes there is nose bleed; the child turns livid in the face, the eyes appear as if they would burst from their sockets, and suffocation seems imminent till relief is brought on by the "whoop."

Dr. Wood's Norway Pine Syrup will clear the bronchial tubes of the collected mucous and phlegm and in this way ease the racking cough, and in a short time make it disappear.

Mrs. L. Ambrose, Sarnia, Ont., writes:— "My little ones were both sick with whooping cough. I read where Dr. Wood's Norway Pine Syrup was good, and I only used two bottles and they were better. I had chronic bronchitis for three years and tried everything until, finally, I got 'Dr. Wood's'. I would not be without this remedy."

Price 35c a bottle; large family size 60c; put up only by The T. Milburn Co., Limited, Toronto, Ont.
