Tillery tops team with 15 points

Paced by the 15 points of Jackson Tillery, a hustling Ketchikan King basketball team crushed Prince Rupert's Senior High School Rainmakers 55-28 last night to clinch the 1960 International Series.

Playing before a capacity crowd of more than 500 people at the high school, a speedy Kayhi squad recorded their third straight victory over the Rainmakers.

Ketchikan will take home the International Trophy — donated by Ketchikan's First National Bank two years ago—following tonight's game. The teams have ended the series in a tie the previous two years, but it looks as if Ketchikan will sweep it in four straight this year.

Rainmakers led 11-9 at the quarter but could not contain the Alaskan visitors in the next three quarters as Kayhi took a 22-15 lead at the half and increased it to 40-20 going into the final frame.

Rupert's usual big gun, Johnny Olsen, made only six points and sunk only two out of 18 field goal attempts.

Don Martin topped the score board for Rainmakers with 13 points, but fouled out of the game with 3:56 left in the final period.

The high school squad, using their height to good advantage out grabbed rebounds 33-26 but sunk only 11 out of 57 shots while Ketchikan netted 20 out of 43.

Kings sunk 15 out of 24 free throws while Rupert clicked on six of 14 trys.

Tillery had the best shooting average for the visitors, sinking 12 of 16 field goal attempts and three out of four free throws. Martin scored six out of 12 field goal attempts.

The game was fast and rough with 29 fouls being called — 17 against Rainmakers and 12 against Kings.

Home support for the local team was not lacking as the fans cheered for Rainmakers right down to the final second.

Ketchikan coach Claude Hunskor said after the game in a jubilant dressing room that "it was a good game, the boys really hustled."

A gloomy team in the Prince Rupert dressing room changed rapidly into street clothes and didn't talk much.

Local coach Don Hartwig reflected: "Maybe I should go on a scouting trip for some basketball players."

A preliminary game, featuring the top 20 basketball players in Booth Memorial Junior High School divided into two teams, saw the Red squad, led by Skip Cronck's 13 points, down the White squad 36-25. Godfrey Wilson led the Whites, also scoring 13 points.

The International series winds up tonight with the preliminary game starting about 6:30 p.m. and the major battle beginning at 8 p.m. at the high school.

For anyone wishing to see some good high school basketball, the game will be well worthwhile.

Simpson elected

OTTAWA (CP) — Bob Simpson, star end of the Ottawa Rough Riders football team, was elected to Ottawa city council Monday night.

Simpson won a handy victory in the race for alderman in Wellington ward, one of the city's 10 wards.

SPOKANE, Wash. (AP)—Former Olympic champ Pete Rademacher gave home-town heavyweight Kirk Barrow a boxing lesson Thursday night but had to settle for a split decision in their 10-round main event here.

Rademacher, a husky 196 pounds, connected on almost all the solid punches and sent Barrow, 180, reeling with a solid right in the third.

A consensus of ringside cards was 99-92 for Rademacher, who at times appeared to be toying with his smaller opponent.
