EVERY WOMAN SHOULD READ

HOW "FRUIT-A-TIVES" GAVE HER NEW LIFE

MRS. J. F. RUTKOWSKA.

"For several years I suffered with severe constipation and was a nervous wreck. I had great pain in my limbs, and such terrible headaches I thought I would go crazy. I had no appetite, could scarcely eat anything without stomach distress. After reading about 'Fruit-a-tives' I decided to try them. Before I had taken three boxes, I was entirely well. I sincerely think 'Fruit-a-tives' saved my life."
—Mrs. J. F. Rutkowska, Tolstoi, Manitoba.

Indigestion, biliousness, headaches, nervousness, pains in the back and limbs are largely caused by allowing poisons to accumulate in the body. "Fruit-a-tives" is nature's remedy, made from intensified fresh fruit juices combined with tonics. "Fruit-a-tives" stimulates the bowels, liver and kidneys to normal action and brings about a condition of delightful health. Buy a box of "Fruit-a-tives", today. Enjoy life again. 25c and 50c, everywhere. 543

A TIMELY SUGGESTION

S. M. Newton has announced himself a Conservative candidate for the riding of Prince Rupert in the legislature. Perhaps he will get a new photo taken after he becomes minister of lands or something suggests the Omineca Herald.

Mrs. Frank Salter left on the Prince Charles last night to spend a holiday in Victoria.

"DAINTINESS is the keynote of this age . . . not that spurious and soiled 'daintiness' of smudgy and scented deodorants . . . but the genuine cleanliness of warm water and soft, foaming Lux suds—that freshness of April showers and of haytime skies. This, and this only, is the daintiness of immaculate women—everywhere!"

This letter was received from Mrs. Harvey Mitchell, R.R. No. 2, Hamilton, Canada.

Nothing could be a more fitting aid to daintiness than a complete wardrobe of washables, kept constantly refreshed by the exclusive use of Lux.

Make this Test

The best way to get acquainted with Lux is to try it on something you particularly care about. Next time your best silk or woollen stockings need a bath, whip a tablespoonful of Lux into the water. Then you will agree that there is no substitute for Lux.
