Savoy gals hold off two attacks to capture first round of semi's

By GARY OAKES

Savoy Hotel weathered a five-run blitz in the second inning and a three-run rally in the seventh to down Fashion Footwear 15-9 in the opening game of the Women's Softball league semi-finals last night at Gyro park.

The win gave Savoy a 1-0 lead in the best-of-three series to determine which team will meet Wahls Boatyard for the championship.

Marie Dickens gave up 13 hits, seven walks, and struck out nine to gain the victory.

Fashion's catcher Vivian McConnell walked to start things off in the second inning, and then moved to second off starting pitcher Stella Nickel's single to left field. Both runners advanced on a passed ball, and second baseman Irma McKay walked to load the sacks.

Then up stepped third baseman Gloria Green, who caught hold of the second pitch and drove it to deep right field for a single, scoring McConnell and Nickel, and moving McKay to third.

Shortstop Millie Olson was safe when the second baseman dropped her line drive. McKay came home on that play while Green took second. With two out, left fielder Bernice Prier hit a stand-up triple to centre field to score two runs, and then was thrown out trying to steal home.

Savoy came alive in the top of the fourth scoring three runs to make it 5-3.

Third baseman Shirley Intermela walked and then stole second. Centre fielder Carol Bryant beat out a slow throw by the second baseman to land at first and Intermela was safe on third on a wild throw by the first baseman. Left fielder Betty McFarlane stepped up to bat next and singled home Intermela, while advancing Bryant to third. Chucker Dickens chalked up two RBI's slamming a double down the third base line, which ended the scoring for that inning.

Fashion took a 6-3 lead in the bottom of the fourth as Green walked and was driven home by another walk and a single.

The Savoy crew exploded for eight runs in the fifth, to hold a 11-6 lead. They never looked back after this but were twitching heads in the bottom of the seventh.

Fashion's Nickel got on base due to an error by the second baseman, and came home off relief pitcher Francis Doane's double. Doane crossed the plate when Green singled to right field while Green, in turn, scored off Olson's walk and Prier's single.

Losing pitchers, Nickel and Doane allowed a total of 15 hits, six walks, and struck out none.

NEW YORK (AP)—An offer of $4,500,000 has been made for Kansas City Athletics of the American League, a spokesman for the syndicate making the bid said Thursday.

"We believe it will be accepted," said Jerry Deutch, vice-president of Realty Equities Company, one of the group.

"You might say it has not been rejected."

Al Kaline "generally fatigued"

DETROIT (AP)— Detroit Tigers believe they finally have found the reason for Al Kaline's season-long batting slump.

A physical examination has disclosed the once-feared slugger is suffering from fatigue.

Kaline admitted Thursday night that he has been feeling rundown for "quite a while."

He said he did not want to say anything about it because "I didn't want it to sound like I was making excuses for a lousy year."

Dr. Russell Wright, the Tigers' team physician, said Kaline has low blood pressure and is "generally fatigued." He said the 25-year-old outfielder, who won the American League batting title in 1955 with a .340 mark, will be put on a high-potassum diet to build him up.

Kaline is batting only .238, with nine home runs and 33 runs-batted-in. At this stage of the 1959 campaign, he was hitting .340 with 16 home runs and 57 RBIs. He finished with a .327 mark, second only to Harvey Kuenn for the league batting crown.

Thursday, Kaline was moved up to the No. 2 spot in the batting order for the first time in his seven-year career in the major leagues.

PONY LEAGUE PLAYERS NOTE

All Pony League plyaers and fans are asked to note that there will be no games played until August 15. Reason for the cancellation of games is due to holidays of coaches and managers.

Esquires dwell in cellar as Belmonts show power

Esquires have firmly established themselves as cellar-dwellers, in the senior baseball league.

Last night at Roosevelt park, the clothier crew was crushed 7-2 by a powerful Belmont squad.

The loss gives Esquires a 3-8 record and leaves them five games behind first place Terrace and a game and a half behind fourth place Kitimat.

John Lambie was the victor, pitching a six-hitter while walking nine, and striking out seven. Esquires' Al Adams theoretically pitched better ball, allowing nine hits, only three walks, and fanning nine. Lambie's hits were scattered throughout the game while Adams' were mostly bunched.

Belmonts got on the scoreboard in the first inning, when centre fielder Dick Specht, who went four for four in the batting, slammed his first single, and then scored on two passed balls and short stop Bill Smith's single.

Esquires tied it up in the bottom of the same inning. Left fielder Ray Spring walked, moved to second on third baseman Don Scherk's single, and was driven home by short stop Al Campbell's sharp ground single.

Both teams threatened in the third and Esquires did again in the fourth, but it was not until the fifth that any noise started popping.

The hotelmen made their threat a reality as they scored five runs off four straight singles, an error, and two walks.

Second baseman John Scuby got on base due to an error to Esquire's second baseman and Lambie walked.

The next four batters, third baseman Bob Adams, Specht, Smith, and Joe Giordano, singled to score all the runs. Smith picked up two RBI's, while the other three singlers got one.

Esquires had the bases loaded in the bottom of the fifth but could manage only one run.

Diamond spats results in fines

LOUISVILLE, Ky. (AP)—American Association baseball President Ed Doherty has seen many temper displays in his 40-odd years in baseball. But this summer in the association tops them all.

"It's the first time I ever saw a manager tear up an umpire's lineup card.

"It's the first time I ever heard a manager order a pitcher to throw at the plate umpire while the catcher stayed on his haunches.

"And it's the first time I ever saw a player make a hangman's noose to indicate he thought the umpire choked up on a decision."

All three violators were fined along with various pugilists of the diamond who indicated their displeasure with the way things were going by popping somebody on the snout.
