FIELD SPORTS ON SATURDAY

Many Interesting Events on Dominion Day Celebration Program

The senior track and field sports in connection with the Diamond Jubilee Celebration were run off on Saturday afternoon before a rather small crowd. The sports were worthy of a bigger attendance as the events were well contested and the finishes keenly fought out.

The hundred yard dash resulted in a good win for N. Matheson of Port Simpson who had a yard to spare to beat R. B. Skinner of Prince Rupert.

In the three-legged race D. Balfour and R. Skinner beat a junior team of Ed. Smith and N. Gurvich in the last few strides.

Bobbie Irvine had a good win in the mile beating Jock Holroyd by half a lap and finishing with a fine sprint.

The juniors were to the fore in the pole vault which Ed. Smith won at 7 ft. 10 in. with N. Gurvich second.

N. Matheson ran away with the 220 yards with D. Frizzell and Bobbie Irvine trailing.

Other results were as follows:

High jump.—1. A. Mitchell, 4 ft. 10 in., 2. D. Balfour.

Putting the shot—1. R. B. Skinner, 33 ft. 6 in., 2. F. Fortune.

Broad jump—1. N. Matheson, 17 ft. 6 in., 2. A. Mitchell.

Hop, step and jump.—1. D. Gurvich, 36 ft. 9 in., 2. A. Mitchell.

The tug-of-war between the city team and the Moose gave the crowd a big kick. The city team was the better but the Moose won one pull. The members of the winning team were: W. A. McLean, W. Whiffin, W. Field, Fred Wall, Gordon Moore, J. Basso, Chris Johnston, Fred Schaeffer, O. Udd. Coach was J. McLean.

A mishap in the relay race spoiled what promised to be a very close event. In rounding a post Walters dropped his baton and though the team tried hard they could not catch the winners which comprised D. Frizzell, D. Balfour, N. Matheson and R. B. Skinner.

PARTY LINES ARE NOT FOLLOWED STRICTLY IN THE PRAIRIE PROVINCES

(Manitoba Free Press)

Party lines do not cut much ice today in the prairie provinces of Canada. No party or group can survive here on its requation or on its traditions. If it does not possess a certain definite angle toward western problems and show a willingness to submerge its party leanings in order to bring about the fullest co-operation of all the people, it has no chance of getting anywhere. The people will not stick to it. They will jump the party traces overnight. This may present a situation that is a vexation and an amazement to the old party disciples who cannot understand why the shaking of the old party oat box does not hold the animals within the fold, but at the same time it reveals a healthy and highly desirable state of public opinion. It reveals a public alertness that is one of the signposts to progress and development.

STRANGE METHOD OF EASTERN POLITICS

(Edmonton Journal)

Strange things are happening these days in New Brunswick. The action of the Conservatives of Victoria-Carleton in deciding to offer no opposition to the candidate of the King government, though they had carried the seat by large majorities at the last two elections, is unique in Canadian politics. The explanation, quite evidently, is that they hope by this course to make sure that the government will take over a railway in the future of which the constituency is much interested.

MOTOR CAR LICENSES IN ALBERTA INCREASE

EDMONTON, July 4. — Motor car licenses of the 1927 variety have been issued thus far to the number of approximately 59,000, with the year only half gone. This is considerably ahead of last year's figures for the same period and promises to make a new record for automobiles in Alberta before the year is out. The 1926 total was 70,000, and according to present prospects that figure will be well outdistanced when the next six months' business is all in. July is ordinarily the heavy month of the year in the issue of new licenses, and it is expected that its reputation will be fully sustained this year.

OXFORD OPEN WIDE DOORS TO WOMEN

OXFORD, England, July 4.—Oxford University has promulgated a statute admitting women to all professorships, readerships, and University teacherships.

The principle has hitherto been recognized by the university, but the statute puts it on an official footing. In future the administrative posts may also fall to women. A woman chancellor and vice-chancellor now are possibilities.

EIGHTH OF INCH OFF BRITISH CIGIARETTES

LONDON, July 4.—An eighth of an inch has been chopped off British cigarettes since Winston Churchill tacked a few pence onto the tobacco tax as an aid in budget balancing.

Popular brands are still sold at 20 for a shilling, and the fact that they had been shortened was not generally known until revelations were made in the House of Commons by Labor members, who have opposed the tobacco levy in their fight for a free breakfast table.

CLUB FOR WOMEN LEARNING TO FLY

CHICAGO, July 4.—Six women flyers of Chicago have organized a club for women who wish to learn air navigation under competent — and masculine— tutelage. There are no dues and the club will have no profits, explained Mrs. E. Lewis Campbell, president.

The sole purpose of the club is to recruit aviatrices. Mrs. Campbell's husband heads the Chicago Flying Club.
