Its Richness Means Economy

IT is the *double-richness* of Carnation Milk which makes it so economical. So rich that it can be used in place of cream at one-third cream cost. So rich that it can be greatly diluted when used in cooking and for other milk uses. Carnation is the most completely useful milk you can buy.

And it has the additional economy of *keeping*. None is wasted. It keeps several days after opening—indefinitely in the tin.

Carnation is just pure, fresh milk evaporated to double richness, kept safe by sterilization. Order from your grocer several tins or a case of 48 tins.

Send for a free copy of Mary Blake's Cook Book. Address Carnation Milk Products Company, Limited, Aylmer, Ont.

CARNATION CARAMEL CUSTARD—Two cups Carnation Milk diluted with 2 cups hot water, ½ cup sugar, ½ teaspoon salt, 5 eggs, 1 teaspoon vanilla. Caramelize sugar and add to scalded, diluted milk. Let remain in double boiler until sugar dissolves. Add this mixture to slightly beaten eggs; then add salt and vanilla. Pour into buttered custard cups. Bake in 225 degree oven with cups set in deep pan of hot water. This serves eight.

The Least Excitement Made Her Heart Palpitate and Flutter

Mrs. Ambrose Orser, Elginburg, Ont., writes:—"I suffered for some time with a bad heart which seemed to be controlled by my nerves. The least little excitement would cause it to flutter and palpitate, and at times I would have real bad spells. I suffered in this way for some time when, one day, I saw

MILBURN'S HEART AND NERVE PILLS

ASKING PUNISHMENT MOTOR CAR OFFENDERS

VANCOUVER, Nov. 3. — More severe penalties on those reckless drivers who actually cause damage would act as an effective deterrent to dangerous driving and would greatly improve safety conditions, according to E. G. Baynes, director of the Automobile Club of British Columbia and member of the special citizens' committee investigating compulsory insurance. In a report received by the committee, Mr. Baynes states that he does not believe in the wholesale issue of summonses for doubtful offenses where a gesture or a word of warning from a police officer would do just as well, but that in cases where it is established that a driver was intoxicated or where actual damage had been caused by dangerous driving suspension of the driver's licence in addition to a stiff fine, would not be too severe.

JUNEAU WOMAN WAS ROBBED IN SEATTLE

THEODORE ROOSEVELT ATTACKS AL SMITH

NEW YORK, Nov. 3. — Governor Al Smith has been characterized as the "bell wether of the Tammany flock" in an address by Theodore Roosevelt, amplifying his keynote speech made at the Republican state convention in Rochester recently.

He charged that Smith represented Charles Murphy, late Tammany chief, in the assembly for 11 years and summarized other charges which, he said, led to one conclusion: that Smith is a Tammany man and that there is no such thing as a new Tammany.
