This Speaks for Itself

LAKE OF THE WOODS MILLING COMPANY LIMITED, KEEWATIN

Dear Sir,—

We are very pleased to acknowledge receipt of your favor of the 2nd inst., also loaf of bread made by Mr. Andrew of Electric Window Bakery, Prince Rupert.

It is a pleasure for us to give an opinion on a loaf equal to that sent in from Mr. Andrew's shop. At times, we get the reputation of being too harsh in our criticism of bread but in this case there is very little to criticise. The loaf has good appearance.

It is well baked with a good bloom on the crust. The color and texture are excellent. Eating qualities, first class. The fermentation of the dough has been just about right.

We would hesitate to suggest any change of formula or method as we doubt very much that any suggestion we could make would result in better bread than Mr. Andrew is now making.

We would be glad to have you extend to Mr. Andrew our congratulations on the quality of his product and our best wishes for future success.

Yours very truly,—
