DECISION OF THE PEOPLE

The people by vote yesterday decided that the contract to supply Prince Rupert with power is to be placed in the hands of the Power Corporation of Canada through Nesbitt, Thompson Company of Toronto. It is a Canadian firm with a great deal of experience in power development work and we can look to them for our future supply.

The American States Public Service Company received very strong support and they can congratulate themselves that they were able to get within 50 votes of winning in face of the recent growth of Canadian patriotic sentiment. They put up a very gentlemanly campaign, but it was vigorous and no stone was left unturned in the effort to win.

We suggest now that all those who supported the American company get behind the other and unite to secure the passage of the necessary bylaw to enable the council to complete the deal. If the American company had won we should have urged similar action in regard to them.

With the passage of the bylaw and the signing of the contract and the carrying out of other necessary preliminary proceedings, the Canadian company will proceed to spend a million dollars in the neighborhood, the total cost of the expenditure running close to twice that sum. They will employ a lot of labor and a great deal of money will be spent in Prince Rupert in connection with the work. It is hoped that will be only the beginning of things and that it will be followed by industries that will help use that power and increase our prosperity.

Judging by reports, it seems very reasonable to expect that there will also be railway development within that time that will place Prince Rupert more permanently on the transportation map. If the C. P. R. should decide to come to Prince Rupert they would be given a hearty welcome and their advent would certainly mean a great deal.

We look for great developments within the next few years and a new era of prosperity opening out for us all.

ROTARY CLUB PRESENTATIONS

At the weekly luncheon of the Rotary Club yesterday a number of ladies who had aided the club during the past year were guests. Little gifts were made to them by President George Rorie on behalf of the members. The recipients were Miss Jean Harrison, Miss Cruickshank, Mrs. McClymont, Mrs. Bryant, Mrs. Jarvis McLeod, Miss E. Davies, Miss Marjorie Lancaster, Miss Georgiana Hunter. John Davies was also recognized but was not present to receive it. A song by Miss Davies was accompanied by Miss Marjorie Lancaster.

In a brief discussion as to which was the most useful classification in Rotary, George Munro claimed that the grocery was the most important and this was conceded until Wallace Orchard stated that without transportation they could not get groceries. The retort was that without transportation more people would buy their goods in town.

Several of those present told how they earned their first dollar.

On appearing before Judge Young in County Court this afternoon Ben Self elected for speedy trial on a charge of false pretences in connection with a chattel mortgage. The case is proceeding.

HAMPERS FOR NEEDY PEOPLE

Dozen Already Lined up For Help and Others Are Expected

There are already a dozen needy families lined up for help by the Salvation Army and it is possible that there may be several more yet. If anyone knows of persons who really are in need they will confer a favor by communicating with the Army when investigation will be made and the names included if it is found that they really should be helped. The hampers will be made up tomorrow so there should be no delay.

Donations since yesterday are:

Previously acknowledged	$122
Miss Harrison	$ 5
Irene F.	2
Mrs. Payne	2
Merchant	5
A lady	1
Sympathiser O.	5

Sid Thompson ½-case of oranges.
