Roughriders upset Blue Bombers

James tops scoring in losing cause

WINNIPEG (CP)—Saskatchewan Roughriders, eliminated from the Western Interprovincial Football Union playoff picture, turned spoilers Monday night.

The last-place Riders beat the league - leading Winnipeg Blue Bombers 23-17 to stop Bombers from winning a record 15 games this season. Bombers ended the regular 16-game campaign with a 14-2 mark. Riders, with two wins, two ties and 11 losses, close out the schedule against British Columbia Lions at Vancouver Saturday night.

The Riders defeated the Grey Cup-bound Bombers 37-30 in the final game last season, only to have it ruled a Winnipeg victory because Saskatchewan coach Frank Tripucka, who was not eligible to play, quarterbacked the win.

Saskatchewan also held Winnipeg from setting a record for total points. The Bombers needed 40 to better Edmonton's 475 points in 1957.

Bombers managed to salvage some personal glory. Gerry James needed nine points to pass Edmonton's Jackie Parker in the individual scoring race and virtually clinch his second title. The charging Canadian fullback scored 15 points, six on a last second touchdown.

James has 114 points, seven more than Parker and 30 ahead of Willie Fleming of Lions, in third place. Fleming has a chance to catch James Saturday but he will have to score five touchdowns just to tie the Winnipeg star. James took the crown in 1957 with 130 points.

EARLY LEAD

Riders, who had missed victories in their last two games in the final minutes of play, grabbed an early lead and never looked back.

Clair Branch sparked Riders with two touchdowns. Ferdy Burket added the other touchdown and Jack Hill converted all three. Riders got a safety touch when Len Wilson tackled Charlie Shepard of Winnipeg in the end zone in the first quarter.

James got his points on two touchdowns and a field goal. He missed on both convert attempts. Shepard counted two singles for Winnipeg's other points.

Quarterback Bob Ptacek started the Riders on a long march early in the first quarter after Vernon Vaughn picked up James' fumble at the Rider 41-yard line. Branch ended the march, taking an 11-yard screen pass for a touchdown.

Minutes later, Riders started from the Winnipeg 33-yard line, with Ptacek passing to the 13, then handing off twice to Branch, who drove over centre for the touchdown. Hill's two converts and the safety touch gave Riders a 16-0 lead at the end of the first quarter.

BOMBERS FIGHT BACK

Winnipeg did all the second-quarter scoring, Shepard booting a long single and James kicking a field goal and bulling over for a touchdown.

The only scoring of the third quarter came when Shepard kicked another single. Bombers almost went into the lead early in the final quarter when halfback Carver Shannon ran 24 yards around the end for a touchdown, only to have the play nullified for a Bomber offside.

Shepard's fumble on his own three-yard line set up the winning touchdown for Riders. After J. T. Frankenberger recovered, Branch gained two yards and Burket piled over for the touchdown.

Bomber quarterback Kenny Ploen, who shared duties in the second half with Vernon Cole, set up James' final touchdown with three passes and his own running off the option play. James went over for the touchdown from four yards out.

NEW YORK (AP) — Pittsburgh Pirates, baseball's latest team of destiny, finally have reached the point where they can pocket the profit of world series money. One full share of destiny is worth $8.417.94.

The Bucs' bucks totalled $286,-500.82 that was split into 33½ full shares divided among 38 persons—manager Danny Murtaugh, players, coaches, the trainer and clubhouse attendant—and 12 cash awards totalling $4,500 divided among the bat boy, clubhouse assistants, the groundkeeper, partime players and batting practice pitcher Virgil Trucks.

The Yankees, generous as usual, split their take of $191,000.95 into 35⅓ full shares, divided 41 ways, and 11 cash awards totalling $6,750.

Moss breaks speed record

FORT ORD, Calif. (AP)—Stirling Moss of England, hitting top speeds of more than 120 miles an hour, shattered Laguna Seca's race course record Friday, shortly after an American sports car driver was severely injured in a practice run.

Moss did not appear to be pushing his 2.5-litre Lotus Mk XIX as he averaged 90.5 miles an hour in a qualifying run over the 1.9-mile, twisting asphalt course for today's 200-mile $20,-000 Pacific Grand Prix.

His time of one minute, 17.3 seconds was 2.4 seconds better than the record set last year by Charles Howard of China Camp, Calif., in a Huffaker special.

Moore high NHL scorer even during "poor pickings"

MONTREAL (CP)—The pickings were so poor in the scramble for scoring points in National Hockey League action last week that Montreal Canadiens' Dickie Moore, who was shut out completely, found himself today still leading the early season parade.

With 14 points on nine goals and five assists, Moore had a two points margin over his closest pursuers.

The NHL's official statistics, released today, show only two players among the first dozen or so leaders could squeeze out three points for their week's work.

Jean Beliveau of Montreal scored two goals—most in that department for any of the top men—and one assist. Norm Ullman of Detroit Red Wings collected one goal and two assists.

FIVE-WAY TIE GONE

Beliveau and Ullman separated themselves from a five-way third-place tie of a week ago and moved into joint occupancy of second place, at 12 points, with Canadiens' Bernie Geoffrion. He has seven goals and five assists and the others a 4-8 record each.

Henri Richard of Montreal is alone in fifth place with 11 points, scoring one goal and one assist last week for his 4-7 total.

Gordie Howe of Detroit, with a 1-1 count last week, remains in sixth place. He has 10 points on three goals and seven assists.

Lewis downs Mitchell in first trophy defence

The Lewis rink, which won the Thanksgiving Bonspiel's Challenge Trophy appears to be well on its way to a perfect season of curling.

After gaining a berth in the finals by coming through the back door, Lewis defeated Ford 7-6 in the eleventh end but still had to play Ford again as Ford had beaten him earlier in the 'spiel.

So, on Sunday October 16, the two rinks met for the third time, but this game left no doubts as to who was the best rink as Lewis won 12-6.

Lewis led 6-0 at one point but Ford fought back unsuccessfully though.

Members of both rinks received small trophies for their performances and are entitled to keep these permanently.

Last Sunday, Octobr 23 marked the first defence of the Challenge Trophy by the Lewis rink and they proved that it wasn't luck that had got them so far as they whipped Jack Mitchell's rink 11-4.

Lewis must defend the Challenge Trophy against any challengers every Sunday until beaten, if ever.

Members of the Lewis rink are: Terry Lewis, skip; Bob Duffin, third; Wally Geisbrecht second; and Lynne Ericksen lead.
