STORAGE OF X-RAY FILM IS DISCUSSED

Letter From Fire Marshal on Subject Read at Hospital Board Meeting Last Night

Storage and handling of X-ray films in the local hospital came up for decision at the monthly board meeting last night when a letter was read from J. A. Thomas, British Columbia fire marshal, who stated that the matter was to be considered at a forthcoming Dominion fire prevention convention in Ottawa, with special reference to storage in hospitals, etc. Until more explicit instructions were given following this conventon, Mr. Thomas urged that in the meantime, the utmost care be observed.

H. W. Birch, managing secretary, stated that an inspection had been recently made by Fire Chief D. H. McDonald and a representative of the fire marshal and it had been suggested that no more than 1000 pounds or two years' films be allowed to accumulate.

R. E. Benson told the board that by returning the old film to the manufacturers a rebate could be secured. The matter will stand in abeyance until further word is received from Mr. Thomas.

GRASS AND TREES ARE PLANTED AT HOSPITAL

Donation of Trees by Terrace Man to Be Acknowledged by Board

G. V. Wilkinson, chairman of the grounds committee, reported to the hospital board last night that the grounds had now been seeded in grass which was coming up nicely. Will Robinson of Silver Birch Farm, Terrace, had presented the committee with 10 maple, 10 birch and two red spirea trees, which had been planted around the grounds and were doing well. In spite of the fact that noticeable improvements had been made, the committee reported that it still had left $25 of the $100 granted for the work. Some expenditure had also been necessitated in improvements to the Nurses' Home grounds.

The board instructed the secretary to write a letter to Mr. Robinson acknowledging the donation of the trees.

THE RED DANCE FINE PICTURE

"The Red Dance," the picture showing tonight at the Capitol Theatre, shows how, out of the whirl of revolution, a girl dances her way to fame and power. The following are some press notices in regard to the film:

"The Red Dance" is one of the most magnificent things of its kind which I have ever seen.—New York World (Morning).

Without doubt the finest entertainment of its kind of the year.—New York Evening World.

Boasts . . . sufficient entertainment value to bring the Dolores Del Rio and Charles Farrell fans leaping to the Globe. . . . Roaul Walsh has made a masterly job of directing the picture.—New York Evening Telegram.

Directorially a gem and histrionically extra special.—New York Daily News.

The picture has action and those who love the melodramatic will certainly get a kick out of this one.—New York Morning Telegraph.

No doubt that Charles Farrell has "it" especially in those Russian uniforms. In "The Red Dance" . . . he's the answer to many a maiden's prayer.—Variety.

One realizes that beauty is not Senorita Del Rio's only outstanding screen quality. Her fidelity to characterization and her ability to catch the fleeting mood of a scene prove her to be a real actress.—New York Evening Graphic.

"The Red Dance" is a picture for the audiences of the world—absorbing, effective, compelling and complete.—Motion Pictures Today.
