Baby cutting Teeth was very Sick With Diarrhoea

When the baby starts to cut its teeth, especially during the hot weather, then is the time that the poor mother is under the stress and strain of great anxiety.

There is no remedy so safe and effectual, for the teething complaints of infants, as is Dr. Fowler's Extract of Wild Strawberry, no remedy that has had the endorsation of so many Canadian mothers during the past 78 years it has been on the market.

Mrs. C. W. Myers, Clanwilliam, Man., writes:—"My baby girl was very sick with diarrhoea when she was cutting her teeth. I tried several different remedies, but nothing did her any good. She was getting worse when my mother sent me out a bottle of Dr. Fowler's Extract of Wild Strawberry. I gave her a few doses and the next day she was much better, and in a couple more days she was as well as ever.

"Now, I always keep 'Dr. Fowler's' in the house and recommend it to all those troubled with diarrhoea."

Price 50c a bottle; put up only by The T. Milburn Co., Limited, Toronto, Ont.

The Man in the Moon SAYS:-

CAN a bachelor consistently be said to be a union man?

MANY of us are taking post graduate courses in experience at the University of Hard Knocks.

SOME people are high steppers others sidesteppers, while yet others are suicides or murderers who step on the gas at the wrong time.

IF you are easily rattled you may know there is a screw loose in your make-up.

WHEN a salesman tells you no man can buy more than ten thouand dollars worth of stock in his company put him down as a bunk artist.

WHAT man likes to be told he is not the only man on earth? Yes, and what woman is there but thinks she is the most wonderful woman on earth and she is anxious for every man to know it.

MAN is the most wonderful thing on earth, next to woman. Yes he always prefers to be near to some woman.

YOU can get a kick from a battle or from a mule and your epitaph will read much the same in either case.

IF you meet a man with a grouch, cut him. He's no good while the grouch is on him.

Printing an Extra

May I print a kiss on your lips?
I said;
And she nodded her sweet permission;
So we went to press and I rather guess
We printed a full edition.

One edition is hardly enough
She said, with a charming pout;
So again on the press the form was placed,
And we got some extras out.

NOW that the Fair is on it is wise to remind ourselves that the big pumpkin is not always the one that gets the prize.

WHEN it comes to talking, Bowser is it.

POOLEY, R. H., M.P.P., might take a few lessons from his chief.

NOW that Mr. Pooley has settled the question of Spey Royal and Roderick Dhu, it might be well to consider what portfolio he is to occupy in the Bowser Government. Someone suggests minister of refreshments.

J. P. Kirkpatrick, C.N.R. superintendent at Smithers, and Mrs. Kirkpatrick sailed last night on the Prince George to spend a brief holiday visiting in Vancouver, Victoria and Seattle.

Charles Miller, who is running the poolroom and barber shop at Buckley Bay in partnership with Fred Wermig, is in the city for a short visit.
