K. OF P. GIVE BANQUET TO RETURNED MEN

Eloquent Addresses by Returned Men in Replying to Toasts.

A supper to 21 members of the order who have returned from overseas was given last night by the Knights of Pythias in their hall, about 70 persons being present. It was an impressive gathering and a very enjoyable time was spent. Speeches were made and toasts were drunk and after the tables were cleared dancing and cards followed.

George Leek, the Chancellor Commander, presided and the first toast of the evening was proposed by H. Daggett to the returned soldiers.

In replying, Bob Cameron said that while he had passed through some thrilling experiences he was unable to tell them in a thrilling way. Over there they had adventures a plenty, but he thought every one was tired of hearing of individual experiences. He was sure, however, that every Knight of Pythias behaved as a true knight on the field and every woman on the field was true to the ritual and its teachings. Women were ministering angels to the boys. A nurse from Prince Rupert was detailed to dress his wounded arm in the hospital and her name would long be remembered, not only by him but by many other sufferers on the field.

Frank Dowling.

Frank Dowling, replying on behalf of the Grand Lodge, said that in taking up arms the Knights had freely offered themselves like Damon of old as a pledge for the safety and comfort of their loved ones, and it was a great satisfaction to know that out of so small a number of Knights in the city, no less than 27 were enrolled for active service. Of these a goodly number returned and their work will always be remembered with pride and honor by their brethren. The memory of those who did not return would always be with them and they might find consolation in the glorious deaths in the greatest of all struggles for honor, liberty and truth. Members of the order could best express appreciation by renewing their pledges of friendship, charity and benevolence and by assisting in the perpetuation of the ideals these brave knights died to secure.

A toast to the Pythians was proposed by J. S. Carmichael and replied to by Mrs. Leek.

REGISTRATIONS ARE COMING IN SLOWLY

Curious Case of Property Owner Who is unable to Get on the List.

Only about forty license holders and householders have registered so far. As the lists close at 5 p. m. Friday there is not much time for those who are not yet on to take action. In order that those who have not yet registered the city clerk will be in his office on Wednesday and Thursday evenings from 7:30 to 9.

A curious case has occurred in connection with the registrations. John Munro is a returned man who in 1912 purchased some property at a tax sale. Instead of registering the title he placed the papers in a safe and today he finds that he cannot vote as a property owner because his title deeds are not registered and he cannot vote as a householder because he owns property. The result seems to be that he must wait until next year before he exercises his municipal franchise.

TERRACE DELEGATION

A deputation of the Terrace Branch of the Great War Veterans' Association, headed by Comrade J. King, waited upon Hon. J. H. King, Minister of Public Works, this morning in connection with the improvements in the roads of the Terrace district to enable ex-service men to reach their farms, says the Victoria Times. The Minister gave a sympathetic hearing to the delegation, and promised to have the proposed improvements investigated with a view to having them carried out.

VANDERHOOF YOUNG PEOPLE ARE MARRIED

The marriage of R. C. McCorkell to Miss Greta B. Smith, both of Vanderhoof, took place on Saturday last in the Presbyterian Church, Rev. Wm. Graham officiating, says the Prince George Citizen. The bride was supported by her sister, Miss Beatrice Smith, school teacher at South Fort George, while her parents were both present. George Ogston of Vanderhoof, was best man, and a number of friends of both parties were present.

After the ceremony the happy couple left by the evening train for the coast and will visit New York and other eastern centres before returning.

Both of the contracting parties are popularly known throughout the district, Mr. McCorkell being a merchant of Vanderhoof, and his bride a daughter of Mr. and Mrs. E. B. Smith of the same place.

The Tilamook arrived yesterday afternoon from Ketchikan with another full cargo of salmon. The salmon awaiting shipment to Prince Rupert at the big fish town will be cleaned up with another couple of trips by the Tilamook.

FRISBIE
the friendly motor

Frisbie Motors give long, uninterrupted service with practically no repairs except occasional grinding of valves. Valves in cages; accessible in a few seconds. An "all muscle" construction throughout, every part designed for hard work. Overhead valves, opening directly into combustion chambers. No pockets or crevices to gather carbon, and waste fuel. This type of construction effects a gain of

15 to 20 per cent. more power

than is possible with L or T-Head designs. Intake and exhaust manifolds are cast integral with the cylinder; miles ahead of the old, leaky, bolted-on manifolds. Large valves insure full charge on the intake and a complete, clean exhaust.

1 to 6 CYLINDERS—5 to 75 HORSEPOWER

Frisbie Motors are made in following sizes: 1-cyl., 5 and 7 H. P.; 2-cyl., 10 and 16 H. P.; 3 cyl., 15 and 25 H. P.; 4-cyl., 30 and 40 H. P.; 6-cyl., 50 and 75 H. P.—Bore and Stroke, 4¾" x 5" and 6" x 6". For work or play, the Frisbie will measure up to your hardest tests.
