# COULDN'T SLEEP HEART WAS BAD NERVES A WRECK

Mr. H. A. Reid, Upper Musquodoboit, N.S., writes:—"I am very thankful for the benefit I have received by using Milburn's Heart and Nerve Pills.

When I came home from overseas, in 1920, my heart was very badly affected by concussion, and my nerves were a dreadful wreck. I was very short winded, and could not possibly sleep at night, in fact, I was in such a condition I felt as if I did not wish anyone to speak to me. I thought I would try Milburn's Heart and Nerve Pills, and before I had taken two boxes I could enjoy a good night's rest as well as anyone.

There are lots of returned men who are suffering the same as I did, and I feel sure that if they would only try Milburn's Heart and Nerve Pills they will receive the same relief that I have."

# MAIL STEAMER STARR IS ON WAY TO KODIAK RUDDER IS DAMAGED

CORDOVA, Dec. 11.—A wireless report received here from the United States mail steamer Starr, which went ashore last night on Point Malina, Afognat Island, Shelikof Strait, 200 miles west of here, stated that the vessel suffered damage to her rudder as a result of the accident.

The message also declared that the boat will endeavor to work her way under her own power to Kodiak with the assistance of the gas boat Hillside. The gas boat went to her assistance yesterday.

A preliminary examination showed that the hull was not leaking, the radio report said. The Starr ran aground during a blinding snowstorm at Point Malina, 28 miles northwest of Kodiak.

Another radio despatch received here from the vessel stated that the Starr left Seward for the Aleutian Island points on December 6.
