Perhaps you've never made Oatmeal Macaroons..

Try this delightful recipe. They're especially good when made with

MAGIC BAKING POWDER

The kind that *3 out of every 4* Canadian housewives*, who bake at home, say *they* use because it gives *consistently better baking results.*

**This fact was revealed in a recent Dominion-wide investigation.*

Recipe for Oatmeal Macaroons

1 tablespoon butter
1 cup white sugar
1 egg
½ teaspoon salt
2 teaspoons Magic Baking Powder
1 teaspoon vanilla
2½ cups rolled oats

Rub together butter, sugar, rolled oats, salt and baking powder, then drop in the egg unbeaten, add vanilla, mix well with wooden spoon. Drop mixture about the size of a hazelnut in buttered pans and bake 10 to 15 minutes.

Look for this mark on every tin. It guarantees that Magic Baking Powder does not contain alum or any harmful ingredient.

If you bake at home the New Magic Cook Book will provide you with dozens of practical yet attractive baking suggestions. A copy will be mailed on request.
