PROVINCIAL LIBRARY
VICTORIA, B.C.

THE PROBLEM

PRINCE RUPERT'S WATER SUPPLY SYSTEM IS IN A CRITICAL CONDITION AND CAN NO LONGER BE DEPENDED UPON –

THE CHOICES

	PLAN	METHOD	TOTAL COST	RATE INCREASE REQUIRED		
				HOMES	COMMERCIAL	INDUSTRIAL
A.	SHAWATLANS LAKE	PUMPING	$900,000	75c per month	33%	33%
B.	WOODWORTH LAKE	GRAVITY & PUMPING	$1,565,000	$1.35 per month	60%	60%

THE SOLUTION

1. VOTE YES X FOR WATER!

2. Show Your Choice of the Two Systems

ONLY YOU the VOTERS Can GUARANTEE WATER!

NEITHER THE CITY COUNCIL NOR ANYONE ELSE CAN GUARANTEE A WATER SUPPLY UNLESS THE BY-LAW IS PASSED

VOTE YES X FOR WATER!

PRINCE RUPERT CITIZEN'S WATER COMMITTEE.
