NEW GOODS MUST SELL BELOW COST

Goods Ordered Some Time Ago Come to Montreal Importers and Will Go Regardless of Cost

"They all must go regardless of cost." These were the words of J. B. Miller of the Montreal Importers this morning when telling of some goods that have arrived after being ordered some time ago.

"In this shipment there is a lot of very fine samples of men's ladies and children's sweaters; a big line of English made rain coats; and large assortment of men's, ladies, and children's shoes and house slippers. I don't went them and the people of Prince Rupert can get them practically at their own pirce," declared Mr. Miller, in viewing the packing cases just opened.

"Tell the people of Prince Rupert I must go out of business. The doctor has ordered it, but before retiring I must sell out this large stock of fine goods. Ask them to drop in and take a look and be convinced."
