GOOD BEER
-is scientifically made

The modern methods employed in brewing the beers listed below include such safe-guards to the drinking public as the sterilization of the air before it comes in contact with the brew ... the purification of all water used ... also a series of analytical tests taken at frequent intervals during the brewing process to make certain the finished product will pass every test for purity and required food values.

RAIL MEET IS PLANNED

Unique C.N.R. Gathering to Take Place Soon in Montreal

MONTREAL, Jan. 23—Members of the new board of directors of the Canadian National Railways will meet officers and employees of the national system at a unique gathering which will take place at Monteral on January 29, co-incident with the meeting of the board of directors and of the various co-operative committees concerning joint management of shops and maintenance of way.

The function will take the form of a dinner given by the officers of the company of the new directors. This dinner will be Canadian National in all its phases, from the floral decorations produced in C.N.R. greenhouses to the emblems which will be products of Canada and of the British West Indies and South America, brought to Canada in vessels of C.N. steamships.

Hon. R. J. Manion, minister of railways and canals, will be among those taking part in the unique family gathering.

The members of the recently appointed board of directors will be in Montreal at that date for their first meeting. Similarly members of the co-operative committees of the shop crafts and maintenance of way employees, with whom the national system has a co-operative arrangement, will be meeting in Montreal. As general chairman of other organizations have also a meeting with the company, it was considered to be a splendid opportunity to hold a family gathering of the kind proposed, which would bring together the minister of railways and president of the system, the new directors, the officers and representatives of the various crafts and other employees.

Stop That COUGH!

A most effective method of treating coughs, colds, sore-throat and bronchitis is to let a Peps tablet dissolve in the mouth. Soothing, healing fumes are released, which are breathed down the air passages, loosening the phlegm in the throat, stopping the racking cough and clearing the bronchial tubes.

President Hoover and Other Leading Americans Heard

The voices of President Herbert Hoover of the United States, Ex-President Calvin Coolidge, Ex-Governor Al Smith of New York, Will Rogers, noted western character, Mary Pickford, screen star, and Mrs. Augustus Belmont, New York society leader, were heard plainly over the air here early last evening when these prominent Americans spoke on behalf of the American Red Cross Society which is endeavoring to raise $10,000,000 to assist in drought relief work in the southern states. The broadcast was handled as a transcontinental hook-up by the National Broadcasting Co.

President Hoover spoke in Washington, D.C., Mr. Coolidge from his home at Northampton, Mass., Ex-Governor Smith, Mary Pickford and Mrs. Belmont from New York, and Will Rogers, from Little Rock, Arkansas.

Inspector John Macdonald, provincial police, returned to the city on yesterday afternoon's train after a trip to Smithers on official duties. He brought in a prisoner with him.

WELCOMES EXCHANGED

Mutual Feelings Voiced at Last Night's Council Meeting

At the opening of last night's council meeting, Mayor C. H. Orme voiced his pleasure at being able to welcome Ald. W. J. McCutcheon as a new member of the board. His worship trusted that the new alderman would enjoy the work and that he would have a successful year.

In replying, Ald. McCuthcheon stated that it was his intention to be fair and independent on all questions. Anything that would further the interests of the city would have his hearty support.

At the conclusion of this incident, the mayor stated that he wished to pay tribute to Ex-Ald. W. M. Brown. In his work for the city, the mayor said, Ex-Ald. Brown had always given of his best. He had been a good alderman and his work was appreciated.

On behalf of the other members of the council with uncompleted terms, Ald. H. F. Pullen voiced a welcome to Mayor Orme and Ald. Macdonald, Ald. Linzey and Ald. Collart on their re-election.

Chancel Guild Tea Successful

Home of Mrs. A. E. Bazett-Jones Scene of Delightful Affair Yesterday Afternoon

The Chancel Guild of St. Andrew's Anglican Cathedral held a delightful tea at the home of Mrs. A. E. Bazett-Jones, Waldron Apartments, yesterday afternoon. In spite of the inclement weather, the affair was well patronized and a substantial sum was realized.

Mrs. Bazett-Jones received, assisted by Mrs. James B. Gibson. Miss E. G. Lenox and Mrs. C. W. Homer poured and Mrs. George Rorie and Mrs. Thomas Andrew were in charge of the home cooking table. Miss Gertrude Mackenzie acted as cashier and those serving were Mrs. Robert Bartlett, Miss S. A. Mills, Mrs. J. G. Johns, Mrs. W. J. Greer, Mrs. R. W. Tucker, Mrs. W. C. Aspinall and Mrs. S. V. Cox.

Temporary Vote For Public Works

City Council Makes $1,500 Available To City Engineer for Maintenance Work Pending Estimates

At the request of Ald. Rudderham, chairman of the Board of Works, the city council last night appropriated $1,500 to the city engineer for maintenance work on sewers, roads and water services pending the passing of the year's estimates.

In answer to a statement by Ald. Collart regarding the condition of Beach Place, Ald. Rudderham stated that it was the intention of the Board of Works to make a general tour of inspection and ascertain the various places where street repairs might be needed. Nothing much could be done until after the estimates had been passed.

Eleventh Avenue Grading Running Within Estimate

In reply to a question by Ald. Linzey as to the progress of the work, City Engineer F. N. Good stated at the meeting of the city council last night that the standard of efficiency among relief crews on the Eleventh Avenue grading work had been much higher than had been anticipated. The work was running below estimates as far as cost was concerned and it was expected to complete it with a good balance to spare.

The city was getting practically a dollar's work for a dollar's pay from the relief crews, the work being nearly as efficient as with regular crews, the engineer declared.

Process For Black Sands Gold Perfect

Douglas R. Willemar, well known assayer, arrived in the city on the Prince John yesterday afternoon from Massett after having spent nearly a year there and sailed last night on the Prince Rupert for Vancouver.

Mr. Willemar, a former well known resident of the Queen Charlotte Islands in the early days, has been at Massett in connection with with the project for the extraction of gold from the black sands of the Graham Islands beaches. He says that a successful process has now been perfected.
