A SEVERE ATTACK OF HEART TROUBLE

Was Relieved By MILBURN'S Heart and Nerve Pills.

Mr. S. E. Barnes, Athens, Ont., writes:—"Four years ago I had a very severe attack of heart trouble. I consulted my doctor; he treated me for some time, but I only seemed to be getting worse. I finally went to our druggist and purchased three boxes of Milburn's Heart and Nerve Pills and derived immediate relief from their use, and I can truthfully say they are a wonderful medicine. I always keep a box on hand, and if I feel out of sorts I take a few pills and feel all right again."

Milburn's Heart and Nerve Pills are 50c a box at all dealers, or mailed direct on receipt of price by The T. Milburn Co., Limited, Toronto, Ont.

MANUFACTURING TIMBER FROM ISLANDS IN LOS ANGELES FOR CANADA

VICTORIA, Dec. 17.— While the estimates of the lands department were being considered in the legislature last week, Hon. W. J. Bowser, leader of the opposition, referred to an article appearing recently in the Los Angeles Times stating that a Los Angeles mill was manufacturing Queen Charlotte Island spruce into airplane parts for a Montreal concern. Mr. Bowser asked if the forest branch could not use its influence to have the Montreal firm change its patronage to a B.C. mill.

Mr. Pattullo said there was no mill in the province doing that class of work and it was difficult to get anybody to invest capital in B.C. for such a mill.
