IN CIVIC CENTRE AUDITORIUM

W. H. Murray to open IODE bazaar tomorrow

The standards of the Municipal Queen Mary, Cambrai and Duchess of Edinburgh chapters of the Imperial Order Daughters of the Empire will flank the stage of the Civic Centre auditorium tomorrow afternoon when the IODE holds its annual fall bazaar and tea.

William H. Murray, MLA, will officially open the function to begin at 2 p.m.

Receiving the guests will be Municipal Regent Mrs. George Miller.

Tea room hostess is Mrs. T. A. McMeekin and directing the kitchen will be Mrs. G. W. Johnstone.

The function will feature booths of sewing, knitting, novelties, home-baking and an "African Violet" plant stall.

For the children there will be a fish pond.

Among the many exciting raffles to be displayed will be a grocery hamper and a child's pyjama bag.

A $20 door prize will be the bonus attraction of the gay event which will offer the public outstanding Christmas gift suggestions.

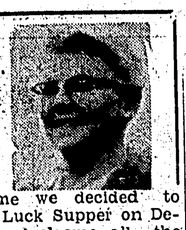
Francois Lake News



By AGNES H. NEAVE

FRANCOIS LAKE— Bill Anderson took a hunter with him for moose. He found one and the hunter shot at it and missed. The moose ran away. Bill found him another and he missed this one too. Then they found that he had not sighted his rifle properly. He went home.

We had a terrific wind on Saturday afternoon, and a drenching rain with it. The lake was a boiling mass and the spray was going right over the top of the ferry. Dave Murray's tug "Seamist" broke away from where it was anchored on the south side in front of the Murray home and came across dragging the anchor. A tree fell across the power line this side of Tchesinkut Lake so we were without power for a few hours. We were happy to have it on at about six o'clock. I had rather a shock though, for I heard a bzuzzing going on in our spare bedroom off the kitchen and went rushing in to see what was the matter, to find that the vacuum cleaner was plugged in and was running.

Thursday was a lovely day with brilliant sunshine, and as it is early closing day for us in the store, Hugh saddled the new pony "Smoky" for me to ride west by the lakeshore to visit our newcomers the Welches. The snow has nearly gone from the road and it was not slippery, and as the pony was feeling good I enjoyed my ride. The Welches are busy wiring their home for power and hope to have it connected by Christmas. Their is the home which was owned by Bill and Marie Woods of Prince Rupert and which they recently sold.

Rev. John Frame baptized the four Kramer children on Sunday morning in our St. Luke's Church—Leona Anna, Ivor Anderson, Nora Evelyn and Victor Nels. Mr. and Mrs. S. B. Calder are their godparents, and the children live with them. Eunice and John Keefe's infant daughter Ingrid Joan was also baptized with Mr. and Mrs. H. Harris of Houston her godparents.

At the Recreation Commission meeting on Wednesday in Hugh's home we decided to have a Pot Luck Supper on December 2 to welcome all the new families who have settled here recently. Each family to bring a first course and a pie as well, and pool the food. We are to take musical instruments and cards and have a real old time party.

Monday morning we were all busy when John and Myrtle Logan called Hugh as they could see smoke and smell something burning in the store window. Hugh investigated and found that a cardboard box with paper inside was starting to burn on the side, and realized that the sun was shining through the window through a large bottle of vinegar and onto the cardboard box. It was fortunate that the sun didn't shine on Sunday as we were not at home.

Since the Game Department poisoned for wolves and coyotes we have not seen or heard them about, but the coyotes are coming back unfortunately. Earl Deeder saw two near his corral a few days ago, and Reg Partington has seen them and Mrs. Gatacre heard them howling.

We were reading in the Daily News of November 14 that Mr. and Mrs. Bert Wouden had gathered raspberries in their garden on Ambrose Avenue. Then we read in the Vancouver Sun that someone down there had also gathered some at about the same time. I'm sorry to say that I cannot report the same from here, although we have had it very mild for this district.

The Anglican and United Churches combined and gave a Congregational Dinner on Saturday evening in the Civic Centre in Burns Lake. There must have been at least three hundred sitting down to a delicious turkey dinner, with pie to follow. The dinner was a great success in every way and it was good to be able to meet so many friends from both churches. The roads are hard and in excellent condition.
