Every Home Has Its Purse

And 99 out of every 100 unprejudiced people will tell you THE DAILY NEWS is the home paper of Prince Rupert.

Advertisers also tell us and will tell you that results obtained from publicity carried in the columns of this paper have exceeded by far those obtained through any other newspaper published in Prince Rupert

The successful business man today is the one who advertises judiciously, who chooses the medium most generally read by citizens of a community; a business man who does not look upon an expenditure for advertising as an expense, but, on the contrary, as an investment. This type of business man you will generally find in the front ranks of his profession, turning his dollars daily and moving his goods rapidly—and all through the liberal use of newspaper publicity.

Try advertising as an investment, if only for a short time, and watch your business grow.

Let our solicitors call and explain why The News is the best medium through which you should inaugurate your initial campaign.

SEAMEN MAY REFUSE TO MAN C. P. R. EMPRESS

Quebec, August 10.—The C.P.R. liner Empress of Britain was to have left today for England, but there is still something to be done to her bow, and she will not sail before tomorrow morning. She will carry freight and no passengers. It is stated that the firemen stokers and some of the stewards on the Empress of Britain will refuse to sail tomorrow at day break unless they are granted a month's extra wages. It is said that they claim the ship is not seaworthy until after her proper repair in the British dockyard.

MIRACLE SAVES MILLIONAIRE MOUNTAINEER

Calgary, August 10.—Mr. Selby Walker, son of Colonel James Walker, millionaire, of Calgary, narrowly escaped death on a dangerous slope of Castle Mountain, in the heart of the Canadian Rockies, on Saturday, when he lost his footing and fell a distance of 100 feet. Walker crashed against a boulder, and was saved from being hurled to death over a 500-foot precipice. The young mountaineer suffered three broken ribs and a number of severe lacerations. He was rescued with ropes and carried to the Alpine Club's temporary camp at the foot of the mountain, where he is slowly recovering.

MONTREAL TRUE TO ITS OWN FIRST BANK

Montreal, Aug. 10.—It has been decided by the city council to accept the offer of the Bank of Montreal to advance to the English market a temporary loan of £750,000 at 4 1/2 per cent., to which has been added commission and stamp dues, bringing the total discount to about 4 3/4 per cent.

CLOTHES MADE FROM NETTLES

The search for a substitute for cotton in Europe has led with promising results to the use of the common nettle. The strength of the fibre of this plant, its ready growth under discouraging conditions and the large yield per acre make it highly desirable for this use. The dried nettle stems are boiled in lye and the fibres are separated by machines fitted with revolving brushes. When spun into cloth it is said that the result is a fabric fully equal in durability to cotton, while the cost is materially reduced. It has been used successfully in making upholstery and even ribbons.

Motoring and billiards are not, after all, such modern amusements as some persons imagine. At any rate, they must surely have known something about them in Tyre and Sidon.

FORT GEORGE

Fort George is situated midway between Prince Rupert and Edmonton, being at the junction of the two great waterways in B. C. FORT GEORGE will be the Hub of British Columbia, because the railways have to follow the rivers for a natural grade. FORT GEORGE will be a great distributing centre, like Calgary, Edmonton, Winnipeg, because all the grain of the prairies will come through there on its way to the coast. FORT GEORGE will have miles and miles of truckage facilities, also elevators, flour mills, breweries, etc. Fort George has a good climate and is a good mixed farming country. FORT GEORGE district and Cariboo district are rich in minerals. FORT GEORGE will be connected by train with Edmonton by next spring. Lots in Fort George are selling fast and advancing in price; take advantage of this disappearing opportunity and call at once at. COLLART & REYNOLDS Box 806 225 6th Street Phone 381
