IT'S LIVER THAT MAKES YOU FEEL SO WRETCHED
Wake up your Liver Bile —No Calomel necessary
For you to feel healthy and happy, your liver must pour two pounds of liquid bile into your bowels, every day. Without that bile, trouble starts. Poor digestion. Slow elimination. Poisons in the body. General wretchedness.
How can you expect to clear up a situation like this completely with mere bowel-moving salts, oil, mineral water, laxative candy or chewing gum, or roughage? They don't wake up your liver.
You need Carter's Little Liver Pills. Purely vegetable. Safe. Quick and sure results. Ask for them by name. Refuse substitutes. 25c, at all druggists. 54

DREDGING FOR GOLD

New Undertaking at Shuttle Island On East Coast of Moresby Island Getting Under Way

Peter Haan and A. Edwards have left Queen Charlotte City for Shuttle Island on the east coast of Moresby Island where they will dredge the beach gravel for placer gold, according to word received in the city from the Queen Charlotte Islands. Later they will be joined by James Gillett who is resigning as Indian Agent for the Queen Charlotte Islands and will become actively identified with the venture.

Some very coarse gold has been found on the Shuttle Island beach including some nuggets as large as two and half ounces. This gold comes from a vein of quartz which runs across the island. Where it has been exposed to salt water, much of the quartz has become decomposed, leaving the pure, coarse gold. Good-sized nuggets have also been found in the quartz veins.

BIG CROWD OF LOGGERS

The steamer Prince John, on her present voyage north, brought forty men from Vancouver who will be employed at the T. A. Kelley Logging Co.'s camp at Atli Inlet which is being reopened on greatly increased log orders after a brief winter shutdown.

The J. R. Morgan Logging Co.'s camp at Crescent Inlet is in operation again and is expected to be putting more men on shortly. Many of the men remained in camp there without going south during a recent brief partial shutdown.

The A. P. Allison Logging Co., which has been operating for some time at Queen Charlotte City, is expected to resume operations on a large scale on the Islands very shortly but will open up in a new location at Cumshewa, towing the camp equipment there from Queen Charlotte.
