SMITH-LOISELLE RITES

Anglican cathedral setting for afternoon wedding rites

A quiet wedding of interest in teaching circles and the fishing industry was solemnized Friday at 1 p.m. when Miss Paulette Leona Loiselle became the bride of Gordon Brian Smith before the altar of St. Andrew's Anglican Cathedral.

The Very Rev. George T. Pattison, Dean of Caledonia officiated at the informal service for the daughter of Mr. and Mrs. A. L. Loiselle of Fort Nelson, B.C. and the son of Mr. and Mrs. C. J. Smith of Rocky Point, Victoria.

Given in marriage by William Knight, the bride was lovely as she walked to the altar which was graced with vases of white gladioli.

For the occasion she chose to wear a brown and white plaid fitted suit fashioned with a large white portrait collar. Her headband composed of two white roses, gracefully secured a tiny polka dot veil.

For contrast she wore a corsage composed of yellow chrysanthemums.

Her only attendant Miss Heather Lindstrom formed a pretty background wearing a pink-toned box-styled suit, offset with white accessories and a corsage of white and turquoise tinted carnations.

Best man was Ronald Duncan.

A bridal party luncheon was held in the Bamboo Room of the Broadway Cafe, before the newlyweds left on a honeymoon trip to Ketchikan, Alaska.

Upon their return Mr. and Mrs. Smith will take up residence in the Rand Block.

The bridal couple both attended Victoria College. Mr. Smith is now employed with the Atlin Fisheries Limited and Mrs. Smith will be teaching in Prince Rupert.

Witnesses to stage Kitimat parley

The Prince Rupert congregation of Jehovah's Witnesses are making plans to attend their semi-annual three-day convention to be held in Kitimat this coming weekend.

Witnesses from Prince Rupert will meet with delegates from afar as Ketchikan and Burns Lake. The first of the conventioners will arrive in Kitimat early Friday and it is expected that attendance will reach about 300 by Sunday.

Prince Rupert delegates will be billeted in private homes throughout Kitimat. These have been arranged by personal contact with each householder in the area.

The theme of the convention is "Seek Peace and Pursue It."

Arthur Melin, presiding minister of the Prince Rupert Congregation of Jehovah's Witnesses explains, "The sessions will consist of Bible talks and discussions designed to aid Jehovah's Witnesses and their friends to keep their peace with God and their fellow man by practicing Bible principles in everyday living."

GERALDINE (GERRY) WILKINS, RN, daughter of Mr. and Mrs. Raymond Wilkins of Prince George and formerly of this city recently graduated from Yorkton Union Hospital, Yorkton, Saskatchewan, it was announced here today. Miss Wilkins received her formal education in Prince Rupert, graduating from Booth Memorial High School before she began her nurse's training in Yorkton.

VANCOUVER (CP)—A strand of hair from the head of an unknown English blonde determines whether campers can enter the forests, or whether loggers can return to their jobs.

The long stand is mounted in one of the forestry service's most important devices for computing the fire hazard. The hair contracts or expands in a hydrograph machine, measuring the moisture content of the atmosphere. Each lookout station has one of the machines.

The strands—about 14 inches long—are imported from England, since experts got tired of looking for long blonde hair on the local market.

For best results, the hair must be blonde. Each strand gets a careful grooming from the district forest ranger, including a weekly shampoo so that it remains soft and sensitive.

BROWNWOOD, Tex. (AP)—Seconds before the car she was driving plunged down a steep embankment, Mrs. J. B. Aldridge, 42, told her daughters, "I've gone stone blind." She and her 16-year-old daughter, Barbara Alice, died Monday night when the car fell into Blanket Creek. Another daughter, Shirley, 15, told of her mother's statement. NO NEED TO SPEND TOO MUCH ON TIRES—
OR RISK YOUR NECK ON 'BARGAINS' EITHER—

buying the right tire is as easy as B-F-G

•We can't blame you if you're confused by tire claims, grades and prices. But don't be. Basically, there are three kinds of tires for three kinds of drivers. Which one are you?

GET THE RIGHT TIRE FOR YOUR KIND OF DRIVING!

HEAVY DRIVING
On super highways, around town, as part of your job, long week-end trips, and summer vacations. You need extra protection against blow-outs and punctures you get with BFG Life-Saver Silvertowns.

NORMAL DRIVING
Is what *most* folks do: a few long trips, some fast driving, plenty of stop and go. All-around driving calls for an all around tire. That's the Deluxe Silvertown, same tire that comes on new cars.

LIGHT DRIVING
Around town, picking up the kids, shopping, back and forth to work permits a lower cost tire. That's the Deluxe or Safety-S both with full size tread, plenty of stopping power. BFG quality materials throughout.

*price depends on size, tubeless or tube-type, nylon or rayon, black or white sidewall. TN-60-3
