IACONELLI-POMPONIO RITES

Nuptial mass celebrated at Church of Annunciation

The lovely sky-blue of the bridesmaid's gown enhanced the beauty of the heavily white embossed lace-over-taffeta gown worn by the bride Elisa Pomponio on August 20 when she exchanged vows with Biagio Iaconelli in the Church of the Annunciation.

Rev. M. C. Murphy officiated at the 10 a.m. double-ring ceremony and celebrated nuptial mass for the daughter of Mr. and Mrs. Biagio Pomponio of this city and the son of Mr. and Mrs. Angelo Ianconelli of San Biagio, Italy.

Given in marriage by her father the bride walked to the altar which was decorated with bouquets of mixed summer flowers for the occasion.

Fashioned in full-length en train, the bride's gown was styled with a square neckline, slightly scalloped and long sleeves tapering to lily-points.

A pearl-studded tiara gracefully secured her chapel-length veil and she carried a bridal bouquet of red roses.

Miss Lucia Pomponio's bridesmaid's gown was created of organza. A matching headdress and a bouquet of pink carnaitons completed the ensemble for her sister's wedding.

Petite Louisa Raponi as flower girl was frocked in white nylon, a headband en tone and she carried a nosegay of pink carnations for color accent.

Angelo Pomponio, the bride's brother, was best man and church organist was Mrs. Denis Rowse.

A bridal luncheon in La Gondola Cafe followed the srevice while a reception at the home of the bride's parents at 640 Taylor Street was held during the afternoon and evening.

An elaborately decorated wedding cake formed the focal point at the bride's table, off-set with white tapers and bouquets of white carnations.

Charles Giordano, visiting here from Kelowna, proposed the toast to the bride.

At the reception the bride's mother chose to wear a silk gown of powder blue, beige accessories and a corsage of pink carnations.

For travelling on a honeymoon trip to Vancouver and the Okanagan, the bride donned a suit of powder blue, accented with beige accessories and a red rose corsage.

Upon their return, newlyweds will make their home at 640 Taylor Street. Mr. Iaconelli, formerly of Montreal, is employed by the Canadian Fishing Company Limited and Mrs. Iaconelli is employed at the Prince Rupert General Hospital.

CONFIDENTIALLY YOURS
—by Byrne Hope Sanders

MONTREAL, Aug. 25th—What does F.F.P. stand for? Believe me, it stands for a really wonderful way to finance the things you want . . . purchases for your home and family . . . for school, college or personal expenses . . . and, of course, to meet emergencies. F.F.P. means **Family Finance Plan** which the BANK OF MONTREAL has set up to provide low-cost, life-insured loans that can be tailored to suit almost any salary as long as you can meet monthly payments without hardship. Ask about the B of M's Family Finance Plan at your neighbourhood branch of "My Bank" . . . the people there will welcome your enquiry.

I'D LIKE TO TELL YOU about the 'perfect mixer' refreshing for summer meals. It's MIRACLE WHIP, the light, light salad dressing that's the life of many a hot-weather menu. Yes, Miracle Whip is the good taste in all the best-tasting salads and sandwich fillings. That's because its unique flavour enhances other flavours . . . never, never overwhelms them. Because Miracle Whip is so popular it's always **fresh** when you buy it . . . and the best way to buy it, I've found, is in the big, economical 32-ounce jar.

DON'T PUT OFF 'TILL TOMORROW what can better be done today . . . especially the all-important detail of keeping drains clean, sanitary and free-running. And if you're smart, you'll do it with GILLETT'S DRAIN CLEANER, because its special churning, boiling action scours out every trace of this filthy moss. To get your clogged-up drains fast-running, clean and sanitary, just put 2 tablespoons of Gillett's Drain Cleaner in every drain, every week. You'll find Gillett's Drain Cleaner is as easy to use as it is effective!

THE "ALL OCCASION" CRACKER — that's what I call McCORMICK'S VERY THIN SALTINES. At our house we serve them so many ways, there just doesn't seem to be any end to the things you can do with these new very thin Saltines by McCormick's. Youngsters love them—with soup, just plain, or with kiddies special favourite—peanut butter. And McCormick's Very Thin Saltines don't cost a penny more than ordinary crackers and because they stay fresh so long they are economical as well as a treat. McCormick's special "Flavour Guard" Inner Pack is the secret of the long lasting freshness. The individual quarter pound sections make them so convenient.

DO YOU SUFFER FROM HAY FEVER? Then you will understand why this hay fever victim is so thankful to have found relief from his misery. He writes: "I have suffered from hay fever for several years. Fortunately I learned about RAZ-MAH. In the late summer and early fall I use RAZ-MAH BROWNS, with good results, to get relief from hay fever symptoms. Now I am taking only two capsules a day, instead of the six I took per day at first, and am feeling much better than I used to." If you suffer from the discomfort and misery of hay fever or asthma, do try RAZ-MAH for the relief you've always wanted. For young children: RAZ-MAH Grays Juniors.
