REFUSE TO GRANT STAY OF EXECUTION FOR MAYOR NEWTON

(Special to Daily News.)

Vancouver, B. C., Aug. 15.—Mr. Justice Murphy in the supreme court chamber yesterday refused the application of Mr. R. D. Wakem for Mayor Newton of Prince Rupert, asking stay of execution in the Manson libel judgment. The application by J. H. Hilditch to quash the city money by-laws was laid over for argument till August 21 by consent of counsel.

DEMAND WAR WITH TURKEY

(Special to Daily News.)

London, Aug. 15.—A declaration of war by Bulgaria against Turkey was demanded at a mass meeting attended by 20,000 persons in Sofia today. Politicians of all parties made speeches in support of the demand.

WANT FAST STEAMSHIP SERVICES

(Special to Daily News.)

Ottawa, Aug. 15.—A British syndicate headed by Sir Thomas Troubridge has again approached the government with a view to establishing a fast steamship service to Halifax and also on the Pacific. The matter, it is said on good authority, will be taken up by the cabinet upon Premier Borden's return and gone into fully.

A Tremendous Success. Judging by the crowds of eager purchasers that thronged Wallace's store all day yesterday the sale now being conducted by that firm surpasses any event of the kind yet held in Prince Rupert. Unusual price reductions have been made and unusual efforts put forth by the staff to display the large stock carried and the use of the red tag on all articles enables the shopper to see at a glance the difference between the sale and the ordinary price. New surprises in low prices have been arranged and today's rush of shoppers to Wallace's is likely to surpass that of yesterday.

INFATUATED GIRL HOBO IS AWAKENED

Kansas City, Aug. 15.—A refined and educated young woman of 24, giving her name as Juanita Woods, today is in St. Margaret's hospital recovering from heat prostration which ended her three weeks' experience as a "hobo." In company with tramps she has been sleeping in the open, stealing rides on trains and eating food prepared over camp fires.

The young woman was found unconscious in a coal car late yesterday afternoon. Her clothing attracted the attention of the police. When she regained consciousness at the hospital she said she was the daughter of Frank Woods, a contractor of Boston. On her way west for her health she met a man giving the name of Will Aufer, in St. Louis. She became infatuated with him and started on a "bumming trip." Yesterday she said her companion offered her a drink from a bottle he carried. She drank a little and remembers nothing that happened afterward.

"I don't know what I'm going to do now," the girl sobbed today. "I hardly can go home. I have no money to go, if I should decide to."

They're all doing it—going to Wallace's sale.

MERELY MABEL REMARKS

That if you want music now you must go to Metlakatla.

That a referee may be claimed as an Englishman even though he has a "Mac" before the rest of his surname.

That if all the government lots go at \$640 per foot there will be busy times ahead for the realty men in Rupert.

That a miss is much better than a mist when it comes to steamships passing each other.

That the wonder is that the Wanderers didn't win, but the points still point to the Prince Rupert Club's success.

That whether you say it in Greek or English the place you advise your opponent in argument to proceed to, sounds nasty

That even with the pastors to help it's still all Greek to most of us.

That if it gets dark too quick tonight someone had better go down to Second avenue and strike the match there.

That fair play is a jewel, especially on a football field, but unseemly scrapping belongs to the street corners.

That perhaps that really excuses our budding football champions who have to play after all under disadvantages.

BETTER BY MILLIONS OF BUSHELS

The commissioner of immigration, after an extensive tour states the crop will beat the previous best record by 50,000,000 bushels. Special committee of 25 wealthy Iowa farmers passed through Winnipeg en route to Alberta, to represent one of the largest farmer's organizations in the United States. Large machinery companies report an unprecedented demand for binders and threshing machinery for the western Canadian harvest. All the companies are working at full pressure.

CALGARY'S HANDSOME C.P.R. HOTEL

With all the foundations complete and the structural steel work now going up rapidly, the new million dollar hotel of the Canadian Pacific Railway will soon be one of the notable sights of Calgary. A force of 200 workmen, under the direction of the energetic division superintendent of building construction, Mr. S. N. Mapes, is pushing the work ahead at full speed.

The building will be eight stories high, and at the rate the workmen are now going all the steel work ought to be completed within two months. Meanwhile, the enclosing walls of stone and brick will follow up the steel, and by the time winter sets in the building will be completely enclosed, so that the interior work will not be delayed on account of the weather.

Mrs. C. H. Handasyde, Jr., left Monday on the Prince Rupert on a visit to the lower coast cities, visiting Banff and California before returning.

We court comparison of values and prices on every line we sell. Wallace's sale.
