It Takes Time to Fit Shoes Properly

We take pride in giving unlimited time to the needs of every patron. This is not a **Spectacular** store, not a **"SALE"** store where saving time is an important matter. When either the customer or the fitter is in a hurry, dissatisfaction is almost sure to arise. And when it comes to values, "how much can we give" is more important to us than "how much can we get."

LEGION IS IN SESSION

Perpetuation of Organization Discussed—Many New Members Joining Up

At the regular monthly meeting of the Canadian Legion last evening, W. J. Rance, first vice-president, was in the chair and there was a good attendance of members.

The matter of the perpetuation of the Canadian Legion was under discussion. A provincial committee has the matter in hand and it will be one of the items on the agenda for the Dominion convention to be held at Ottawa in March. The question is a very live one and the deliberations of the Dominion convention will be followed closely.

As was the case last year, the Canadian Legion will participate in the Farewell to the Fishermen Dance to be held on the last Wednesday of the month.

The completion of the building has been delayed by so much wet weather but a continuation of the dry weather of the past few days will enable more rapid progress to be made. Plastering is well under way and, with this part done, the interior finishing will not be a long matter.

A very gratifying feature of the life of the Legion is the increasing number of returned men who are now linking up with the local branch. The value of the Canadian Legion in protecting the interests of the disabled veterans is recognized, especially when, it was claimed, certain interests would make payment of bonds a more vital matter than the payment of pensions to men and women who invested their lives for their country. New applications approved were from James M. Captain, George W. Cripps, W. H. Derry, A. E. Dickens, J. A. Hinton, W. Hume, Robert Hunter and Arthur Sutton.

Valentine Tea By Baptist Ladies

Successful Affair Held Yesterday Afternoon in Church Parlors

A very successful Valentine tea was held by the Baptist Ladies' Aid in the church parlors yesterday afternoon. The beautiful warm day enticed many to come out and, as a result, numerous callers patronized the affair.

The room was tastefully decorated with valentines, hearts and angels. A profusion of spring flowers—daffodils, irises, red and white carnations—centred the pouring table and added a touch of beauty in many places.

General convener was Mrs. Bert Morgan who was ably assisted in the tea room by Mrs. W. W. Wrathall. The serviteurs were Mesdames J. Armstrong, C. O. Campbell and Vic Houston. Presiding at the pouring table were Mrs. C. E. Larkin and Mrs. G. T. Hibbard.

In charge of home cooking table were Mrs. N. Fraser and Mrs. J. Hampton. The C. G. I. T. girls had charge of the candy table which was looked after by the Misses Armstrong and Bury.

The president, Mrs. Morris, received the guests and Mrs. J. Lindsay was cashier.

A short musical program arranged by Mrs. V. Houston consisted of enjoyable violin duets by the Misses E. Franks and E. Johnstone and violin solos by Miss Phyllis Hamblin. Accompanists were Mrs. Black and Miss E. Hamblin.
