MORE SUPPORT IS DEMANDED

Civic Centre at Terrace Must Close Says Vice-President

TERRACE—A general meeting of the Terrace and District Civic Centre Association was held in the Oddfellows' Hall last Thursday, with President Dudley Little in the chair. There was only a fair attendance and Lloyd Johnstone, vice-president of the Association, stated emphatically that, unless more active support was accorded by the members and the community in general, the doors of the Civic Centre would have to be closed. A few loyal members could not shoulder the whole responsibility of the citizens' investment.

The president then stated that the committee would have to be re-organized as soon as possible with only members serving who would be willing to actively support the Centre and its manager.

A committee was appointed to deal with matters pertaining to the visit two weeks hence, of the Recreation Leaders Travelling Clinic.

It was decided to purchase an electric motor for the furnace adjacent to the bowling alleys which must be kept heated this winter. It was also decided to clean up the old Y.M.C.A. office of the Centre so that a committee room could be made of it and the "Teen Towners" would be given free use of this room one night a week.

As the young people were eager to get started with basketball, a "working bee" was arranged for Saturday afternoon to set up a basket back-stop and to prepare the Centre, generally, for the winter's program. A ping pong table was to be placed in the Centre for the use of the youngsters.

The bowling alleys and canteen have done remarkably well in the few weeks they have been in operation and are being fairly well supported by the youth of the town.

At the close of the general meeting, a special meeting of the board of directors was held to deal with the resignation of Alf Yoxall as manager of the Civic Centre. It was received with sincere regret and the hope was expressed that he would reconsider his decision. No other appointment will be made in the meantime.

Timely Topics from Terrace

James Wong of the Silver Tip Cafe left Terrace by car on Saturday for Prince Rupert from which point he left by plane for a week's vacation in Vancouver.

Mr. and Mrs. F. Clifford left on Tuesday's train for Prince Rupert to be near their son Roy who is reported to be out of danger in hospital although he is still unable to have visitors. With them is Mrs. Kirkham, mother of Mrs. Clifford who, after spending a few days in Prince Rupert will return to her home in Duncan. Mrs. Kirkham came by plane to Prince Rupert last week on receiving word of the tragic burning of her daughter's home and the death of her grandson.

United In Quiet Terrace Wedding

TERRACE— On Saturday afternoon a quiet wedding was solemnized at the home of the Rev. J. McAllister when Mrs. Phyllis Bowman became the bride of Edward Gleason. Mr. and Mrs. Robert Gordon of Prince Rupert were the only witnesses.

The bride and groom will take up residence at Lakelse Lake in a cottage built for them by Mr. Gordon, Mr. Gleason being employed in logging operations on Mr. Gordon's property.

Reversed Words

Can you form words out of each of the following sets of definitions, which are reversible pairs? In other words, the word formed from each first definition can then be spelled backwards to form a word corresponding with the second definition. For example: Rodents—Heavenly body, the answers being RATS and STAR.

1. Snare—Portion
2. To send out—Measured duration.
3. To scold—Prevaricator.
4. Cooking vessels—Cease
5. To extend over—Sleeps
6. Small tumors— Stalks of grain.

Answers

1. Trap, part. 2. Emit, time. 3. Rail, liar. 4. Pots, stop. 5. Span, naps. 6. Warts, straw.

No Increase In Prices

TERRACE—In spite of the removal of price ceilings, the Northern Interior Lumbermen's Association, at its monthly dinner meeting at Terrace on Sunday, went on record as being opposed to any price increase at present.

Establishment of an export rate, export quotas and the serious shortage of cars were among the important matters dealth with at the meeting.

The visitors were shown some of the farms in the district, where the harvesting of pears, apples, grapes and tomatoes was in progress.

On Monday the members were taken to Kitsumkalum Lake in the morning and were the guests of Little, Haugland & Kerr at their Mud Lake mill for lunch, later inspecting the mill of Carl Pohle at Five Mile. In the evening, the party was entertained to dinner by Mr. and Mrs. Dudley Little at their summer home at Lakelse Lake.

An enjoyable and instructive visit came to an end when the party left town on the late evening train.

The visitors were welcomed to Terrace by George McAdams, president of the Terrace & District Board of Trade.

President Cecil Clare expressed appreciation to the local operators for the excellent program which had been arranged and assured them that at least one meeting a year would be held in Terrace.

DEVELOPMENT IS PERMANENT

Canadian National Research Head Tells of New Enterprise in North

WINNIPEG—"This is no get-rich-quick overnight onslaught to grab and get out. It is a planned development of those immense natural resources that will influence all Canada and go far to maintain our high living standards in a world that is rocking," said S. W. Fairweather, vice-president of research and development, C.N.R., yesterday in commenting on new development and enterprise in Northern Canada.

His 2,000 mile trip took the railway's engineer - economist well into the Peace River, into North Central British Columbia, along the Alaska Highway at a time when the Canol oil refinery was being trucked into Edmonton to crack the Leduc oil, to the fisheries of Slave Lake, the base metal smelter at Flin Flon and the new mining fields of Snow and Lynn Lakes in Manitoba.

Mr. Fairweather remarked there was ample proof today the conservationists were right in aiming at never-normal crop from the forests. What was once considered useless timber was now being cut and marketed in many forms.

Before returning east, Mr. Fairweather will see the expanding iron mining operations at Steep Rock on the C.N.R. line near Port Arthur.
