TITLE BID FAILS—Halfback Willie Fleming (15) of B.C. Lions sinks under attack by Saskatchewan Roughriders as he makes desperate attempt for touchdown which would have given him WIFU scoring championship. Fleming scored 25 points during the game as B.C. crushed the Roughriders 38-0 in last scheduled game of the season. On ground with Fleming is B.C. guard Steve Cotter (58) while Ssakatchewan guard Bill Burrell (58) has just piled on. Tackle Russ Haines (69) rushes to join the fray.—(CP Photo).

F & P takes third straight win

Howe, Shenton star in 65-58 victory

A strong third-quarter rally gave Fraser & Payne a 65-58 victory over Empress Vikings and its third straight win in senior basketball action last night at the Civic Centre.

The clothier crew, paced by the 22 points of George Howe and Terry Shenton, held a 28-26 edge at the half but exploded for 25 points in the third frame to take a 53-39 lead into the final quarter.

Columbia Cellulose downed New Royal Hotel 42-30 in intermediate boys' action while in the intermediate girls' contest, Prince Rupert Senior High School Rainbirds nipped Fashion Footwear 19-16.

Although they out-shot Vikings 116-114, Fraser & Payne managed to grab only 48 rebounds to 64 by Empress.

The game was tight in the first half with Fraser & Payne leading 12-11 at the end of the first quarter.

In the third quarter they poured on the power and then coasted to the win in the final frame with Vikings out-scoring them 19-12.

Twenty-seven fouls were handed out including 15 to Vikings and 12 to Fraser & Payne.

Art Helin led the losers, netting eight field goals and one free throw for a total of 17 points.

The victory left Fraser & Payne in first place with three wins and no losses. Savoy with one win and one loss and Empress with one win and two losses are second while Prince Rupert's Senior High School Rainmakers bring up the rear having a no win-two loss record.

With the game tied up at 19-19 at the end of the first half, Columbia Cellulose had to pour on the coals in the second half of play to claim the victory.

CCC was leading 13-7 at the end of the first quarter but New Royal came back fighting in the second frame to tie it up.

Tight checking by the Cellulose crew and accurate shooting gave them a 30-25 edge going into the final quarter.

Walt Harlow led CCC with 12 points while Bobby Johnsen was high man for New Royals with eight points.

Rebounds made a big difference to the final outcome as CCC grabbed 50 compared with the 22 taken by New Royal.

Shooting was close with CCC holding a 65-62 edge over New Royals.

The game was fairly clean with only 13 penalties being handed out—nine to CCC and four to New Royals.

It took a third-quarter surge of power to give High School a victory over Fashion, as well.

Rainbirds had led 7-4 at the end of the first quarter but slowed down as Fashion came on strong to tie the game 9-9 going into the third quarter.

The school girls scored 10 points and held Fashion to four points to end the third frame at 19-13. Rainbirds had to hang on by their teeth as they were unable to score any points. But time ran out before Fashion was able to tie the game.

Evelyn Carpenter was top scorer for Rainbirds with eight points while Fashion's big gun was Ann Wick, also with eight points.

Cardinals may be at turning point

ST. LOUIS (AP)—Coach Frank (Pop) Ivy thinks his Cardinals in their hoped-for development may be at the turning point into a winning club in the first season in St. Louis.

"This has to be a big one for us," Ivy said.

Walker best pitcher

NEW YORK (AP)—Jerry Walker of Baltimore Orioles, a .169 hitter in 1959, led all major league pitchers in batting with a sizzling .368 average in 1960.

Walker, switch-hitter, collected 14 hits in 38 times at bat, figures compiled by The Associated Press showed today. He had two doubles and drove in three runs.

Walker shared batting honors with Don Cardwell and Detroit's Frank Lary. Cardwell, who played for Philadelphia and Chicago in the National League, had the most home runs among big league pitchers—five. Lary, who hit only .183, led all pitchers in runs batted in with 13.

Never heard of him

HALIFAX (CP)—The quiz question read: "How many times did Babe Ruth strike out in his career?"

Announcer Gerry Parsons of radio station CJCH got a variety of answers but one stumped him: The lady asked, "Who?"

"Babe Ruth, did you ever hear of him?"

"No" came the reply, "I'm not from Halifax."

WOODSTOCK, Ont. (CP)—Teams in the Ontario Hockey Association's Senior A western division agreed Thursday night to play 12 games in eastern division arenas in an effort to keep the eastern circuit alive.

All five western division clubs were solidly against the move at the beginning of a stormy three-hour session here.

Clancy's predictions come true as Montreal edges Toronto 3-1

By The Canadian Press

King Clancy, coach and assistant general manager of Toronto Maple Leafs, said before Thursday night's National Hockey League game with Montreal that Canadiens' Jean Beliveau was "the only guy who hasn't been playing up to his potential" this season.

"He'll start driving one of these nights—I hope it isn't tonight—and the whole team will start rolling."

STANDINGS

	W	L	T	F	A	Pts
Montreal	7	4	2	49	45	16
Chicago	6	3	3	39	31	15
Detroit	5	4	3	39	33	13
Toronto	5	5	3	34	33	13
oBston	2	5	6	34	43	10
New York	4	7	1	34	44	9

Clany was right on both counts. Beliveau started driving Thursday night, scoring three goals to lead Canadiens to a 3-1 win over the Leafs.

The starry centre counted all the goals in little more than 13 minutes of the first period and the win put his team at the top of the standings, one point ahead of Chicago Black Hawks.

AVERTED A SHUTOUT

Toronto rookie Bob Nevin averted a shutout by notching Leafs' only goal at 15:11 of the third period.

In the only other scheduled game, Detroit Red Wings scored six goals in the third period to down Boston Bruins 8-5.

Norm Ullman and Gerry Melnyk scored two goals each and Parker MacDonald, Al Johnson, Gary Aldcorn and Warren Godfrey added singles.

Jim Bartlett scored twice and Gerry Ouellette, Don McKenney and Charlie Burns once each for Boston.

BELIVEAU A SLEEPER

Beliveau, who has a reputation of being a "sleeper" until halfway through the season, has scored eight goals in 13 games this schedule for an average of .616 a game.

If he continued scoring at this rate he would chalk up 43 goals in 70 games—if he completes the regular league schedule.

This would be four goals less than his best season, in 1955-56. If he improves in the latter part of the season he would need only seven more goals to equal Maurice (Rocket) Richard's season-record of 50.

Lancaster to start at quarterback

OTTAWA (CP)—Crew-cut Ron Lancaster has come a long way since he stepped into the shoes of star quarterback Russ Jackson—and found they fitted.

Ottawa football fans all but trembled when Jackson, 22-year-old 190-pounder named the outstanding Canadian player last year, hurt his ribs in an early game.

Lancaster, who came here from little Wittenberg College in Springfield, Ohio, was only starting his first year with the Ottawa Rough Riders and Big League football.

But the 21-year-old Lancaster clicked right away, guided the Riders smoothly and told Ottawa by action that they now had two first-string quarterbacks.

CHOSEN TO START

Coach Frank Clair has announced he will start at quarter Saturday when the Riders meet Montreal Alouettes here in the sudden-death Big Four semi-final for the right to meet Toronto Argonauts in the final.

But Jackson, still a star himself, will be on hand to jump in when needed in the game scheduled to start at 1 p.m. (11 a.m. MST) and to be televised nationally. Only Ottawa and Cornwall, Ont., will be blacked out on TV.

Once Jackson's ribs mended, the two Riders split the quarterbacking job—offering the opposition two distinct types of ball.

Lancaster is essentially a passer; Jackson, a gifted runner, stresses the running game off the option play.

NEW DEFENSIVE TACTICS

Meanwhile in Montreal the Alouettes leave for Ottawa today with a couple of new defensive wrinkles to spring against the Rough Riders in general and Ronnie Stewart in particular for Saturday's Big Four Football League semi-final.

Coach Perry Moss of the Als, interview Thursday, declined to disclose just what his club had in store for the Ottawa attack but he said the defensive tactics will be "varied and new."

It was believed the Als would either try to storm the Ottawa backfield with linebackers or shift the defensive halfbacks to bolster the corner linebackers on Ottawa's rushing plays.

Stewart gets off his best runs around the ends, evading the corner man to burst into the clear in the secondary. The last time the two clubs met—here on Thanksgiving Day — Stewart scored four touchdowns and set a league record of 287 yards lugging the ball in a 51-21 win for Ottawa.

FLYING FISH

The so-called flying fish seen in warmer waters do not actually fly; they glide from a fast take-off as high as 25 feet.
