WANTS UNITED ACTION

Editor, Daily News:—

One read with interest the report of the joint meeting of the exhibition board and the Junior Chamber of Commerce and their plans for the entertainment of visiting ships next month. It is very necessary that some such program should be lined up but one wonders if all the organizations in town were invited to send representatives to a meeting that apparently is arranging a civic program for our visitors.

In the past other organizations, often at considerable expense, such as the Football Association, the Moose, the Canadian Legion, have all taken an active part in entertaining the men of the navy on their visit to Prince Rupert. I understand that some of these had already offered their services to the commissioner or in his absence his deputy. This is surely a case where there is no desire to obtain publicity for any particular organization but to do the best for the city as a whole.

It would seem to be the right thing to do to see that no overlapping of entertainment or aparent competition between different organizations should in any way militate against the uniting of all our citizens in welcoming and entertaining our visitors.

Yours truly,
"CITIZEN."
