The school board has purchased 60 tons of Telkwa coal from the Prince Rupert Feed Co. at $10.60 per ton. An account for $606.03 overing the order was passed at last night's meeting.

Miss Agnes Donaldson, secretary of Municipal Chapter, I.O.D.E., applied last night to the school board for the usual permission to hold a demonstration on Empire Day, May 23, for children. Permission was granted on motion of Trustees Casey and Orme.

The list of unemployed at the provincial labor bureau is decreasing not so much on account of men being actually placed but because they are leaving on their own initiative. Today there are about 60 job seekers registered. Mining, logging and pole cutting should soon absorb a number of these.

The school board authorized the secretary last night to get prices on black boards for various of the city schools. The matter of new desks in the High School was left oevr, Principal Brady having reported that they would not be necessary until after the holidays. Repairs to a convenience in Borden Street school were ordered.

WANTED. — Any couple contemplating marriage within the next few weeks can obtain $100.00 cash; wedding ring; marriage licence and marriage ceremonial free. For particulars, write P.O. Box 814, Prince Rupert, B.C. All correspondence treated in absolute respect and confidence. tf

Permission was given the utilities department of the city by the school board last night to run a telephone cable line across the north portion of Hays Cove Circle from Fourth Avenue to Sixth Avenue on the east side of the circle. The permission is conditional on the undertaking that the line will be removed if the board should embark on any development of that portion of the grounds. It was pointed out, however, that such would probably not be proposed for some time as the ground was very unsuitable for such work.

The usual monthly payroll and accounts totalling $1436.72 were passed for payment by the school board last night. It was suggested that more economy might be observed in connection with the consumption of electric light at the Booth School.

A large number of new pupils being expected in the High School after the summer vacation, Principal Brady reported to the school board last night that it would probably be necessary to engage an additional teacher in the Fall on account of congested first year classes. Mr. Brady stated that further information would be given later so no action was taken by the board.

Permission was given by the school board last night for the domestic science classes to hold an exhibit of work and sale of home cooking in the school on May 30. The proceeds will go towards the fund for furnishing the school dining room which now stands at $205. The board took no action on a request that $20 be granted towards covering the expense of a banquet that it is proposed to hold in honor of the retiring domestic science class this year.

Principal Brady reported to the school board last night that the High School pupils were on the eve of writing their University examinations. On request of the Education Department, two lists of names were sent in—one containing those that were recommended from their general work throughout the year and the other those who were not so recommended. Out of a class of 21 prospective matriculants all but three were being recommended this year. Trustee Casey questioned the value of such a system but Trustee Williams approved of it.
