Sees More Taxes

EDINBURGH, Scotland, March 9: (CP)—Rt. Hon. Neville Chamberlain, Chancellor of the Exchequer, speaking in Edinburgh, warned of possible extra burdens for taxpayers. Referring to the rearmament plan, he said that, instead of reductions, the taxpayers must prepare for further sacrifices. Sir Thomas Inskip gave warning that, in view of the armament manufacturing program, a suspension of building construction and other civil industries might become necessary.

CONSTIPATION IS A MISERABLE THING!

It takes the pep right out of you—makes you feel tired and irritable—ready to worry over the slightest thing.

Yet it can be corrected in most cases so easily. Common constipation is usually caused by lack of "bulk" in the foods you eat.

Millions of people have learned that Kellogg's ALL-BRAN ends constipation by putting "bulk" back in the diet. Within the body, ALL-BRAN absorbs twice its weight in water, forming a soft mass and gently sponging out the system.

Kellogg's ALL-BRAN also furnishes vitamin B to tone the intestines and iron for the blood.

Two tablespoonfuls daily as a cereal with milk or cream, or in recipes, are sufficient. Three times daily in severe cases.

Sold at all grocers—and *guaranteed* by Kellogg in London.

Premier King At Washington

Details of Week-end Discussion With President Roosevelt Not Disclosed

WASHINGTON, D. C., March 9:—Premier William Lyon Mackenzie King of Canada concluded his week-end visit to President Franklin D. Roosevelt at the White House Saturday night and left for an Atlantic Coast resort for a brief vacation before returning to Canada. The nature of the discussions between the Prime Minister and the President were not disclosed although Mr. King said trade matters had not been taken up. The Imperial Conference at London in May will hear some of President Roosevelt's views from Premier King.

The Letter Box

SIGNING LETTERS

In connection with the discussion of the hospital question through the Daily News Letterbox, two letters have been received at the Daily News office obviously written by the same person and on the same water-marked paper. The signatures were, however, different and the names used in either case were entirely strange in this office. If the person writing the last of these letters is willing to establish identity without question, there is no objection to publishing it. We must insist that all letters on this subject bear the bona fide signature for publication of those responsible for same. Those having views on the subject should not wish to engage in public discussion and at the same time conceal their identity.—Ed.

HOURS ARE LIMITED

Editor, Daily News:

In Monday's issue of your paper there appeared a news item to the effect that "in the interest of better fire protection, City Commissioner W. J. Alder has decided to augment the staff of the city fire department."

The truth of the matter is that at the last session of the legislature an amendment to the Act was passed which limits the hours of duty of firemen. To comply with the Act as amended the Commissioner has to employ more firemen or find volunteers for the fire department.

C. D. CLARKE

(In justice to the commissioner it might be explained that he intimated at the time of making the announcement in question that the hours of work for firemen had been limited to sixty per week. Due to other demands on space and time yesterday, this explanation was omitted from the brief announcement—Ed.)

LAND REGISTRY ACT
NOTICE

Re: Certificate of Title No. 22300-I, to Lot Twenty-two (22), Block Eleven (11), Village of Stewart, Map 905.

Whereas satisfactory proof of the loss of the above Certificate of Title, issued in the name of Ross Moore Company Limited has been filed in this office notice is hereby given that I shall at the expiration of one month from the date of the first publication hereof, issue a Provisional Certificate of Title in lieu of the said lost Certificate unless meantime valid objection is made to me in writing.

Dated at the Land Registry Office Prince Rupert, B. C., this 12th day of February, 1937.

Deputy Registrar

Jimmy Parker Moving South

Transferred to Vancouver in Service of Home Oil Distributors

James Parker, who has been accountant here for the Home Oil Distributors Ltd. for some time, is being transferred to Vancouver as waterfront salesman for the company and, with Mrs. Parker and child, will be leaving for the south aboard the Prince George on Thursday night of next week. His successor here will be Arthur Sloan of Vancouver who is expected to arrive next week, accompanied by Mrs. Sloan.

Departure of Mr. and Mrs. Parker from Prince Rupert will be regretted by many friends. Mr. Parker was born and raised here, being the son of Mr. and Mrs. S. E. Parker. Mrs. Parker, formerly Miss Phyllis Lamb, is equally well known and popular, being the daughter of Mr. and Mrs. James Lamb of Cassiar cannery and a former member of the teaching staff of Booth Memorial School.

Surprise Party Was Delightful

Miss Aleda Johnson Honored Prior To Departure for South

A delightful surprise party was held last evening at the home of Miss Bess Campbell in honor of Miss Aleda Johnson, who is leaving shortly for an extended visit in the south.

During the course of the evening Miss Johnson was presented with a lovely travelling case and dressing gown, a gift from her fellow workers of the telephone office.

At midnight delicious refreshments were served, the daintily set table being centred with daffodils. Those present to wish Miss Johnson Bon Voyage were Misses Campbell, Stalker, Colussi, Astoria Owens, Schark, Peachy, Eastman and A. Johnston (Drayton, N.S.), Mesdames Weir, Anderson, Lemon Sherman and Grimble.

Miss Johnson of Drayton N.S will accompany her sister as far as Seattle.

Changed Her Shoes Five Times a Day

Suffered For Twenty Years With Rheumatism

Try and picture the life this woman led for twenty years—changing her shoes several times a day in a vain endeavor to attain some relief from the rheumatic pains that were constantly troubling her. Then imagine her joy when she found that Kruschen was diving away the rheumatism. This is what she writes:

"I have been using Kruschen Salts for four years. For twenty years previously I had suffered with my feet, sometimes changing my shoes five times a day, and frequently sitting without any as the pain was so great. Now I can wear the same pair of shoes all day with comfort. I cannot speak too highly of Kruschen Salts. Only those who had been in constant pain with their feet for years can realize what it is to be free."—(Mrs.) E.A.

It is deposits of excess uric acid, lodging between the joints, which are frequently the cause of rheumatism. Kruschen Salts contain two ingredients—sodium and potassium—which are effective solvents of uric acid.
