OPENING OF BOWLING ALLEYS

Nearly every man in town was down at the grand opening of the Empress Bowling Alleys last week end, to witness the initial match that had been advertised to take place between Alderman George Kerr and Dr. J. P. Cade. Unfortunately the doctor was unable to be present on account of being called out of town on professional urgency. However, a match was aranged between teams captained by Mr. Kerr and Mr. C. B. Lockhart, the later's team winning by three points. The highest score of the evening was made by A. A. Ackerberg, 186, which won the box of cigars. Other games were played during the evening.

READY TO RALLY FOR RECREATION

Prince Rupert.
Aug. 15th, 1912.

To The Daily News:

The large crowds which have manifested such enthusiasm at the football battles on Second avenue are surely sufficient indication of the love for clean, manly sport which exists in our city.

It seems a great pity that there is no adequate ground where the local athletes can compete.

We would pledge ourselves by every means in our power to further a project for a proper ground and we think the majority of our fellow citizens would also assist in the good work.

Even the youngsters are showing every day an increasing interest in football.

We would therefor urge the Park Commissioners to take speedy action toward making a ground more in keeping with our growing city and the growing healthy needs of its pioneer athletes. Yours, etc.,

THE ROSES ATHLETIC CLUB.

WET YACHT RACING SEEN AT COWES

London, Aug. 17.—An oilskin and mackintosh covered crowd watched the racing at Cowes the other day. When the competitors for the King's cup reached open water in the neighborhood of Spithead they encountered heavy seas and squally weather and some became almost water logged. After the first round only three of the nine starters continued the contest. The Kaiser's Meteor was among the first to haul down her sails.

Lord Dunraven's Cariad won the race. A. K. Strother's Marquita won in the ninteen metre class. Albert Brazzy's schooner Czarina went ashore on the Brambles near Southampton.

King George and King Alfonso attended the squadron dinner at night.

RUPERT'S EXPORTS TO ANTIPODES

L. Crippen, the well known local fish packer, who returned Saturday morning on the Prince Rupert after a hurried business trip to Vancouver, reports having been very successful in carrying through a deal of considerable magnitude in regard to a large order for boneless herring for the Fiji Islands.

MERELY MABEL REMARKS

That there were some wandering boys in Rupert the other evening.

That Acropolis Hill is not to be turned into a bear garden.

That a small child learning its alphabet the other day was heard to ask the question that has been troubling the papers and the pastors.

That after that pun in the Journal Sunday about the weather and the "dry" dock she feels sure there's a place for punsters.

That it's no use trying to pass yourself off as an "old timer" if you reached Rupert after 1908.

That the old timers may be forgiven if the changes in the city since then cause them trouble in finding the way home next Sunday morning.

YOUR BOOTS WILL COST YOU MORE

Montreal, Aug. 17.—At a meeting of the boot and shoe section of the Canadian Manufacturers' Association, held here yesterday evening, it was decided to raise the price of boots and shoes 15 per cent., the new prices to go into effect on September 1st. The raise will affect the whole of Canada, and has been rendered necessary by the raise of 10 per cent. in the price of leather announced here yesterday.

There will be a meeting of the Overseas Club on Tuesday evening, August 20th, at 8:30, in the Sibbald Hall, for the purpose of approving the terms of an address to H. R. H. the Governor General. Amongst those who have consented to speak are R. deB. Hovell, Esq., president of the Hazelton branch; the Mayor, ex-Alderman Naden and Alderman Clayton. All ladies and gentlemen interested in the welfare of the British Empire are welcome. Signed, L. Bullock - Webster, Pres. 196

Railway Construction Work Starts in Town

Contractor Hardie, who has the clearing of the right-of-way for one hundred miles west of the bridge across the Fraser River at Fort George, has sublet several contracts, one of which is through the Indian Reserve and the town of Fort George on the Nechaco River.

Contractor Hardie has opened his office on Lot 1427, adjoining the town to the west.

Following Hardie's crews will come the grading gangs, and for these a large cache will be located at Fort George with a capacity of from three to four thousand tons of supplies.

From now on great activity is assured at Fort George, property is rapidly increasing in value. For further information call on
