FLEMING-RENSHAW VOWS

San Francisco honeymoon follows United-church rites

A motor honeymoon trip to San Francisco followed the lovely May 12 wedding ceremony of Miss Eleanor Noreen Renshaw and William Stewart Fleming solemnized before the candle-lit altar of the First United Church.

Rev. Dr. R. W. K. Elliott officiated at the 7:30 p.m. double ring service for the daughter of Mr. and Mrs. P. A. Renshaw of this city and the son of Mr. and Mrs. William Fleming of Dumfries, Scotland.

Walking up the aisle on the arm of her father the bride was radiant in white brocade satin. Her fully-draped skirt fashioned with a short train and posed-over-a hoop, fell from a fitted bodice framed with a scooped neckline and featured long sleeves tapered to lily-points.

A coronet of seed pearls gracefully secured her shoulder-length veil of illusion net and she carried a cascade bouquet of red roses.

Matron-of-honor, Mrs. Harold Skalmerud, the bride's sister and bridesmatron, Mrs. Kenneth Nickel enhanced the bridal portrait choosing to wear blue nylon chiffon gowns created with bouffant skirts in cocktail length. Their bouquets were of white carnations tipped with sky blue for color harmony.

Petite Linda Skalmerud attended her aunt with Randy Nickel as train-bearers.

J. A. McIntosh was best man and performing ushering duties were Bruce Sinclair and Lyle Benzley.

Church organist was Mrs. A. R. Lockwood.

Receiving the reception guests in the Composite Mess of the Armouries the bride's mother was charming in a pale blue sheath of brocade lace-overlaid with organza. Her hat was en tone composed of tiny petals and she completed her ensemble with a corsage of pink carnations.

On behalf of the groom's mother, Mrs. W. H. Lewis received, wearing an attractive mauve brocade cotton gown and a carnation corsage.

The bride's table was a beautiful setting of red roses and tapers flanking the four-tiered wedding cake, made and decorated by Mrs. Nickel.

W. A. Gordon proposed the toast to the bride and congratulatory telegrams were read from Scotland, Vancouver, New Westminster, Alert Bay, Alice Arm, Edmonton, Chilliwack and New Orleans, Louisiana.

Attending as serviteurs were Mrs. Karl Marki, Jr., Mrs. David Blackhall, Miss Verla Sklapsky, Mrs. Paul Lopushinsky, Miss Joyce Pearce and Miss Sophia Hawn.

For travelling to California Mrs. Fleming chose to wear a suit-dress of nylon organza-over-blue printed polished cotton. She completed her ensemble with a white picture hat and matching accessories.

The newlyweds will return to the city at the end of the month to make their home in Prince Rupert where the bride is employed at the Prince Rupert General Hospital as a registered nurse and the groom is employed as accountant at Philpott, Evitt and Company Limited.

MUSEUM BRIEFS . . .

By JOCELYN BOLTON

Starting on May 15, the Museum and Tourist Bureau are open on Mondays from 9 a.m. until 5 p.m. and on Sunday from 2 to 5 p.m. beginning our summer hours.

On May 31 we will be open during the week from 9 a.m. until 9 p.m. and for all tour boats as usual, Sunday from 2 to 5 p.m. also on Sunday when a tour boat is in port.

We are fortunate to have Mrs. Leslie Brain and Mrs. James Ciccone as extra help during the summer months, and we feel with these hours we can give good service. Many of our friends and people planning holidays have been in our Bureau for folders and we have a good supply on hand, also the 1961 road map is now available at our office.

Last week we had the Port Simpson Indian Day School in to visit the Museum, they were very nice young people and later that same day Mrs. Marion Bevage, High School librarian brought her class to visit us.

We enjoyed these young people, who seemed so interested in the native legends and bits and pieces about the things we have on display in the Museum, we hope they will come again. Mrs. M. Hopwood of Victoria, paid us two visits while visiting her daughter, and we did enjoy meeting this nice lady, she was most interested in the Museum, and also in chatting about Victoria and the Cariboo — where her husband mined and worked in the early days.

Mrs. Hopwood has donated a few of his things to the Barkerville Museum, which is to have a grand opening in 1962, and we both hope that we can be present.

We had a number of tourists visit us when they docked in the "Canadian Prince" and one couple from California told me that this is their fifth trip to Prince Rupert, and to expect them next year also. They thoroughly enjoy the boat trip and were full of praise for our Museum and our City.

We also had guests this past week from Holland, a charming couple and they were very impressed with Prince Rupert, and intend staying with us for quite a few months.

We also had guests from the U.S. with a very fine boat in tow, they launched their craft and went fishing, but sad to relate had no luck, and also sad to say they could not stay another day; which they hoped to do, because of no accommodation available, pretty tough so early in the season — and I hope that anyone who has a room available or an apartment will register with us at the Bureau, as we feel that we will need extra accommodation in the near future.

We commend the Park's Board for making available a few camp sites on Roosevelt Park site, which should do a little to help.

Packed crowds see Sally Ann special film

An outstanding response was shown to the Salvation Army film "Unknown City" Saturday night at the Citadel, reported Salvation Army Captain Earl McInnes.

A packed hall required a second showing of the film Sunday. Filmed in Vancouver, it featured a local man, Earl Ryan, as an alcoholic who was rehabilitated by the Harbor Light hostel in Vancouver under the guidance of Captain Bill Leslie.

Captain Leslie, with Vic Ricci, Harvey Skare and Earl Ryan, has just spent a week in this city in a drive to aid alcoholics. Capt. McInnes said that there had been a considerable response from the city's alcoholics and more than 50 persons had made assurances to control their drinking or to give it up completely. Of these, he estimated some half - dozen as being amongst the city's known drunkards.

During their visit the group held two meetings at the Booth Memorial Junior High School, held daily counselling periods with home visits in the afternoons, made two visits to Port Edward, staged flm shows for both the Kinsmen and Rotary Clubs.

Members of the Salvation Army here will be following up the work started by Capt. Leslie to aid the recovery of those who need their help in fighting alcoholism.
